

Chandler Fire Department

Fire Code Operational Permit

Hazardous Material Permit

Permission to proceed with the activity described below in accordance with the specified conditions is granted by the Fire Chief since the processes, conditions, surroundings and arrangements of the property comply with the Fire Code as amended by the City of Chandler. This permit shall remain in effect until reissued, renewed or revoked or for such a period of time as specified in the permit.

WARNING

This permit does not take the place of any licenses or other permits required by law and are not transferable. This permit is not transferable and any changes in occupancy, operations, tenancy or ownership shall require a new permit to be issued. Issued permits shall be kept on the premises designated therein at all times and shall be readily available for inspection by the fire code official. (Applicant acknowledgment of warning)

Declaration

I acknowledge that I am the person responsible for administering fire code compliance at the location described above; and under penalty of perjury I hereby certify that the maintenance, storage, use or handling of materials; processes which produce conditions hazardous to life; or the installation of approved equipment used in conjunction with such activities will be limited as indicated above and shall be in accordance with the Fire Code. I understand that any false statement or misrepresentation as to a material fact in the information submitted in support of this permit; as well as permittee failure, refusal or neglect to comply with any order or notice duly served under the provisions of the fire code within specified time may result in revocation of the permit or the initiation of misdemeanor legal proceedings.
