CODE OF CONDUCT AND SAFETY

The City of Chandler Community & Neighborhood Services Department strives to maintain an atmosphere of camaraderie, courtesy, and respect. To ensure the safety and enjoyment of everyone in our recreational facilities, classes, programs, and activities, participants are expected to conduct themselves in an appropriate manner, at all times.

Appropriate behavior includes the ability and willingness to follow instructions and to interact positively with other individuals. Staff will discuss behaviors of concern with a participant and his/her family, when necessary.

Unsafe or unacceptable behavior will not be tolerated from anyone visiting a facility or participating in any City of Chandler class, program, or activity. Any person acting inappropriately may be subject to Progressive Discipline Action Steps, which may include revocation of the privilege of using department facilities or participating in departmental activities, classes, or programs for a period of time (including a permanent ban), as determined by staff, based on the circumstances of a specific incident.

Please inquire at the front desk to view the Code of Conduct and Safety in its entirety.

BEHAVIOR POLICY

- Our purpose is to provide recreation for youth ages 5-13. Since we're here to have fun, we take problems seriously.
- After each incident that warrants parent/guardian contact, we will consider it a "strike." After three strikes, participants will be asked to leave the program and will not be given a refund, unless a Behavior Contract is established.
- We log all behavior incidents, and if incidents are serious and/or frequent, we will talk to the parent/guardian, either on the phone or in person.
- Incident Report of Child Abuse-Arizona State Law/Code Section 13-3620, 8-201 states mandatory reporting required by a physician, resident, dentist, chiropractor, medical examiner, nurse, psychologist, social worker, school personnel, peace officer, parent, counselor, clergy/priest. The Recreation Division will notify the Chandler Police Department Victim Services Unit at 480-782-4535 of all issues relating to the Arizona State Law of Child Abuse.
- This policy is set in place in order to ensure safety and to prevent behavior problems for all participants and staff members. If you have any questions, please feel free to inform a Recreation Leader II or contact Susan Richardson at 480-782-2912.

SAFETY CONCERNS

- Parents/Guardians are responsible for the welfare of their child(ren) prior to and after the program in which the child is enrolled.
