

Legislative Principles

Protect Local Authority

Preserve Local Revenues

Fiscal Sustainability

- Support retention of State-Shared Revenue and backfill of previous cuts
- Protect authority to determine appropriate revenue sources
- Encourage Legislature to evaluate impact of unfunded mandates

Economic Development

- Support efforts that enhance Chandler's economic competitiveness
- Support diversification of economic development tools
- Protect local authority on development projects

Neighborhoods

- Support policies that strengthen the quality of life in neighborhoods
- Protect rights of citizens to actively engage in public policy

Transportation

- Support regionally coordinated transportation planning
- Oppose efforts that limit local control in the transportation decision-making process

Land Use Planning

- Protect local authority and voter decision-making in land use planning
- Support efforts that promote orderly growth
- Oppose efforts that impede growth management

Public Safety

- Preserve and enhance the ability of local governments to strategically plan for and respond to emergencies

Water & Sustainability

- Support the wise use of natural resources
- Protect Chandler's investment in safe and reliable water resources and wastewater services
