A Message from Mayor Jay Tibshraeny

Warmer temperatures make Spring the perfect time to utilize the vast array of recreational facilities and programs we offer here in Chandler. There are the City gyms, pools, trails, sport courts, golf courses and recreation centers. We've even added pickle ball courts to our collection of amenities.

Among the latest lists of growing fitness and recreation trends are strength training, working with personal trainers, fitness for senior citizens, yoga and outdoor sports and recreation. And you can do all of this right here in our community utilizing Chandler facilities and the many classes offered in BreakTime Magazine.

This issue is the perfect guide to set you on the path to better health and wellness! We offer hundreds of activities for people of all ages. Take a few minutes to explore all we have to offer and start making your plans today.

And, for a healthier mind and spirit, check out our great public libraries. They offer much more than books, with cultural presentations, reading programs, and an immense selection of online materials available to anyone with a library card. You can also follow me on Twitter @jaytibshraeny for Monday tips to fight stress, as well as other community updates throughout the week. Stay healthy Chandler!

Sincerely,

Jay Tibshraeny
Mayor

Cancellations of Classes/Programs and Refunds

• City Initiated:

The City reserves the right to cancel any program due to insufficient enrollment. Early registration is encouraged to help prevent course cancellation due to an apparent lack of interest. If a class or program is canceled, you will be notified and offered an alternative choice, if available. If no alternative is available, a full refund or credit on account (your choice) will be issued within 30 days. The City also reserves the right to cancel, postpone, combine classes, change rooms, or change instructors, as needed.

Less than 48 hours notice results in a 50 percent refund. Refunds are not available after 50 percent of the course/class session is complete. Supply fee refunds will be pro-rated based on attendance, unless otherwise stated on the registration receipt.

Aquatics: If you wish to cancel your Aquatics program enrollment, you must notify the Aquatics office at 480-782-2756 or 480-782-2753 at least three days PRIOR to the program/session start date for a full refund. Ball field reservations can be made within seven days of the desired reservation date and must be paid for at the time of reservation. Online ball field reservations for the seventh day will begin at 8 a.m. Customers must create an ACTIVE Net® account before making a reservation.

Rainouts: In an effort to help reduce unnecessary repairs and maintenance to City owned fields, fields will be considered unplayable if the following conditions exist:

1. Water standing on the infields of ball fields or goal mouths/ midfield of multipurpose fields
2. Where grass is sparse or field is worn badly and ground is saturated
3. Turf can be displaced or dislodged from the ground

Poor weather conditions leading to cancellations will result in a credit on the Permit holder's account or refund. It is the responsibility of the permit holder to contact the City and cancel any field lighting immediately after canceling games or practices so that utility costs are not incurred and lighting fees can be refunded. Failure to do so will result in the forfeiture of light charges by the permit holder.

CLASS REGISTRATION PROCEDURES

Chandler Residents Only: Processing of forms and online transactions starts at 10 a.m., Saturday, February 4, 2017.

Non-Chandler Residents: Processing of forms and online transactions starts at 10 a.m., Friday, February 10, 2017.

Mail-In & Drop-Off Registration Completing the Registration Form

- Please submit a separate registration form for recreation classes and aquatics classes. Processing can be delayed if the same form is used for recreation and aquatics registration.
- List a **1st, 2nd and 3rd class choice**. If only one choice is listed and that class is full, the participant will be placed on a waiting list.
- The registration form is an application. It does not ensure placement in a class. You will receive a confirmation receipt to verify enrollment in a class. If your class choices are full, the participant will be placed on a waiting list. **Did you know** you can retrieve all receipt confirmations through your online account? You can also view your entire family's class schedules and much more! Log on to your account today and research all your online account options.
- If you are placed on a waiting list, you will be notified if an opening becomes available. Notification may come as late as the start day of a class.
- Fees must be paid at the time of registration. If paying by check, write a separate check for each class. If only one check is submitted and only a portion of payment is used the remaining balance will be issued as a credit on the customer's account.
- **Fill out the registration form completely.** Enter the full name of participant, email, address, home and emergency phone numbers and age. Sign the form. If possible, submit only one registration form per family.

Please Note: Our new registration system verifies residency by a flat file associated with a GIS (Geographical Information System). **Check your residency status by visiting www.chandleraz.gov/infomap.** Unfortunately, customers living in County Islands are no longer eligible to receive resident registration privileges or rates. If you are charged a non-resident fee while completing your registration, we will be happy to re-verify your address. However, if we are unable to verify through our resources you will be asked to provide one, or more, of the following documents to verify residency: most recent year property tax bill, business license and check imprinted with a Chandler address, City of Chandler water and trash collection bill – no more than 30 days old.

In order to be PCI-DSS Compliant we no longer can accept credit cards for mail-in or drop-off registration.

Credit cards may be accepted for over-the-counter transactions that allow a customer service representative to swipe or enter your credit card info.

▼ ONLINE REGISTRATION/RESERVATION SOFTWARE FAQs ▼

What is an online registration and reservation system?

Our online registration and reservation system allows customers to register via the Internet for most of our classes and programs and now allows customers to make ball field and pavilion rentals! The system is available to residents 24-hours a day, seven days a week, except during times the system will be taken down for maintenance. The exception is online ball field reservations, which will be accepted from 8 a.m.-11:59 p.m.

Why do I need to set up an account?

In order to register for programs and services online all customers are required to create an account in order to use the ACTIVE Net® system.

How do I create an account and add a child or other family members to my account?

Go to www.chandleraz.gov/registration and click on "Create Account" tab and complete the "application" with head of household or adult information. Complete all fields with an asterisk (*) which are required fields. Once the required information is complete click "submit". If you need to add additional family members, click "Submit and add Family Members".

What if I already have a City of Chandler ACTIVE Net® account?

Go to www.chandleraz.gov/registration and click on "My Account". Enter your Login Name (your email) and enter your password. Click "Sign-in". You are now ready to register for an activity, reserve a pavilion or ball field, or change/search or account information.

What if I forgot my login name?

ACTIVE Net® uses your email address as your login name. It will always be the email you registered with.

What if I forgot my password?

You may now recover your password electronically. From the home page click on "My Account". Under "Already have an Account" search for "Password" and click "Forgotten". You will receive an email message and directions on how to set-up a new password.

How do I change my address?

Customers are unable to perform an address change online. You must contact a staff person to complete a change of address. You will be asked to provide resident documentation.

What if I do not have an email address or home computer?

You may visit any of the four Chandler Public Libraries to set up your free personal email account. A reference librarian can assist you. We also have scheduled our registration to start at 10 a.m., which allows individuals without computers to go to a public library or other agency and use their computers. For more information on how to establish a free email address, call 480-782-2803.

Do I need a credit or debit card to use online registration/reservation?

Yes. In order to complete your online transaction(s) and confirm your enrollment, you must pay by credit card or debit card. The City of Chandler currently accepts Visa, Master Card and American Express.

Can I withdraw (refund) my child from a class/activity online?

Yes. Customers now have the option of online withdrawals. To complete an online activity withdrawal, please complete the following steps: Login to My Account > Go to the List of Prior Transactions > search for the registration you want to withdraw from. You may have to click on "registrations" and fill in the dates if you do not see the activity. Click Withdraw > click Add to Cart to proceed and complete transaction. Click the arrow tab at the payment screen to change default to original method of payment. Proceed through the Shopping Cart and Confirmation pages.

Can I transfer my child from a class/activity online?

Yes. Customers now have the option of online transfers. To complete an online activity transfer, please complete the following steps: Login to My Account > Go to the List of Prior Transactions > search for the activity you want to transfer out of > click Transfer for the activity that you want to transfer into. Confirm the participant for the new activity, enter any necessary additional information and confirm the new activity's fees (the normal process). Proceed through the Shopping Cart and Confirmation pages to complete the transaction.

Why doesn't my registration work online?

There could be a number of reasons:

- The class is not open for registration at the time you are trying to register.
- Some classes require special registration data and, therefore, are not available for online registration. Classes that are not available for online registration will have a symbol of a crossed-out computer by the class description.
- You have not properly logged into your account.
- The system is temporarily unavailable due to a large number of users at the same time or system maintenance.

How do I enter "Date of Birth"?

For adults you may either enter your birthdate or select "Age Category". For all customers under the age of 18 a birthdate MUST be entered.

Aquatic Registration Policies

1. Priority registration will be given to all Chandler residents. After resident registration the registration process will be open to non-residents, if sufficient space exists in the program/class. Please refer to the swim lesson schedule for the individual pools for registration dates.
2. To ensure all individuals have an opportunity to participate or learn how to swim, enrollees will only be allowed to register for one class per session.
3. Registration received after the registration deadline will be processed by date received in random order. We encourage residents to register early to secure enrollment!

Late Registration Procedures

Late registration for our swimming sessions will be held at the individual pools on the first day of class, unless otherwise indicated. Late registration is taken on a first-come, first-served basis. Please sign up at the pool you would like to take classes.

For cancellation/Refund policy, please see page 8.

Swim Lesson Class Descriptions

The ages listed on page 23 are for basic guidelines only (exception the Seahorse, Otter, and Surfer classes). Your child may be more or less advanced than the suggested ages. A general rule of thumb is children will remain in the same level for at least two sessions.

Do you need to know what level to register for next?

1. **Your child's current instructor** can provide detailed information and place your child by skills and abilities.
2. **Our online listing** can assist you. The descriptions on the class list are available with educating our customers on the variety of classes the Aquatic Program has the capability of offering.
3. **Free Swim Skills Testing.** We provide free skills assessment evaluation if you don't know what class to register your child in. Stop by Mesquite Groves or Hamilton Aquatic Centers during public swim hours and we will be happy to test your child and make a recommendation.

INCLEMENT WEATHER POLICY

If classes are cancelled by the Aquatic Office or Pool Manager due to a storm, the classes will be made up on a date to be determined. If more than two classes are cancelled, and cannot be made up, a prorated credit will be placed on your registration account.

SWIM LESSON CLASS DESCRIPTION

What class level should I register my child for? The Aquatics Program offers new online video clips for parents. They provide a quick look at what skills your child should be able to perform at different class levels. Customers may also stop by during public swim hours and request a swim lesson placement test. All swim lessons follow the American Red Cross' Learn-to-Swim Aquatics Program.

Beginner Classes • 25 minutes

These courses are designed to teach young swimmers basic water safety, water adjustment and swimming skills. Participants will grow more independent in the water.

Instructor-to-student ratio for the Tadpole, Shrimp and Duck classes are five (5) swimmers per instructor.

TADPOLE (3-5 years)

This course is designed for children with little to no water experience.

Prerequisites: Child must be potty-trained and participate independently (parents/guardians are NOT in the water).

Participants will learn how to enter and exit the water safely, submerge fully, blow bubbles, float on front/back and do basic arm/leg movements (all skills performed WITH support).

SHRIMP (3-6 years)

This course is designed for children who are progressing with basic swim skills.

Prerequisites: Pass Tadpole OR can be without parent/guardian in water, comfortably submerge and float on front/back with support.

Participants will learn how to submerge, retrieve submerged objects, float on front/back, perform simultaneous arm/leg movements on front/back and glides on front/back (all skills performed WITHOUT support).

DUCK (3-6 years)

This course is designed for children who are independent swimmers of short distances on front and back.

Prerequisites: Pass Shrimp OR can float on front/back independently for 5-10 seconds AND swim independently for at least 10 feet on front/back.

Participants will refine freestyle and backstroke skills (especially rotary breathing), learn independent glides on front/back for 15 feet and learn deep water safety skills.

Semi-Private Swimming Lessons 45 minutes

A more intimate swimming lesson experience.

Instructor-to-student ratio for semi-private swimming lessons is three (3) swimmers per instructor.

LEVEL A BEGINNER:

These are children who generally fall into our Tadpole, Shrimp, and Duck classes.

LEVEL B INTERMEDIATE:

These are children who generally fall into our Seahorse, Otter, and Turtle classes.

LEVEL C ADVANCED:

These are children who generally fall into our Frog, Fish, and Porpoise classes.

Intermediate Classes • 50 minutes

These courses are designed for independent swimmers who can swim 10 yards on their front/back. Participants will learn new strokes, continue to refine freestyle and backstroke skills and learn deep water safety skills.

Instructor-to-student ratio for the Seahorse class is six (6) swimmers per instructor; Otter and Turtle classes are eight (8) swimmers per instructor.

SEAHORSE (4-6 years)

OTTER (6-8 years)

Note: These two courses have the same curriculum; the only distinctions are the age range of class participants and the instructor-to-participant ratio.

This course is for independent swimmers who are developing basic strokes.

Prerequisites: Pass Duck OR can float on front/back independently for 5-10 seconds and swim independently on front/back for at least 10 yards.

Participants will increase endurance and develop freestyle/backstroke, swim and glide independently for 15 feet, learn deep water safety skills and be introduced to butterfly kick.

TURTLE

This course is for swimmers who are proficient in freestyle and backstroke for at least 10 yards.

Prerequisites: Pass Seahorse OR Otter OR can swim freestyle with proper rotary breathing for 10 yards and swim elementary backstroke with proper technique for 20 yards.

Participants will continue to refine these strokes while increasing endurance; they will also learn butterfly kick, deep water safety skills and basic dives from the deck.

Ask us about our online video clips that help parents choose their child's swim level!

Advanced Classes • 50 minutes

These courses are for proficient swimmers of freestyle and backstroke and are designed to teach new strokes, basic diving skills and deep water survival skills.

Instructor-to-student ratio for the Frog, Fish, Porpoise and Marlin classes are eight (8) swimmers per instructor.

FROG

Prerequisites: Pass Turtle OR can swim freestyle and backstroke with near-perfect technique for at least 15 yards AND can tread water for 30 seconds in deep water.

Participants will continue to increase endurance in freestyle and backstroke, and will learn sidestroke, elementary backstroke and basic deck-level dives.

FISH

Prerequisites: Pass Frog OR can swim freestyle and backstroke with excellent technique (at least 25 yards each) and can swim sidestroke and elementary backstroke (at least 15 yards each).

Participants will learn breaststroke and butterfly, while refining sidestroke and elementary backstroke. They will also learn new deck-level dives and continue to build endurance in freestyle and backstroke.

PORPOISE

Prerequisites: Pass Fish OR can swim multiple 25-yard laps of freestyle and backstroke, more than 15 yards of elementary backstroke and breaststroke, and at least 15 yards of butterfly.

Participants will continue to refine all six strokes while increasing endurance. They will also learn shallow dives, open turns and flip turns.

MARLIN

Participants will build up to swimming 500 continuous yards while refining technique in six strokes. They will also learn springboard diving fundamentals and basic principles of fitness swimming.

Parent & Child Classes • 25 min.

These courses are designed to encourage water comfort and safety for young swimmers.

Prerequisites: An adult or guardian MUST accompany the child in the water during each class session. Children are required to wear swim diapers under their swimsuits.

Parents and children will be led through water exploration activities together; this is NOT a learn-to-swim or water survival class. All classes are limited to 10 participants per instructor.

PARENT-INFANT (6-18 months)

Participants will practice water entry and exit, comfort in the water in various positions, breath control (blowing bubbles) and basic arm/leg movements.

PARENT-TODDLER (18-36 months)

Spend Time with Mother and Nature Sons shine bright at Mother & Son Campout

You two used to do everything together, but now that your baby boy is growing up, he's more interested in hanging out with the guys. Show him you know how to have fun with Chandler Parks & Recreation's **MOTHER & SON CAMPOUT** that's sure to strengthen your mother-son bond.

"Moms, this weekend is a chance for you to laugh, listen and talk with your son and get away from things that normally distract the both of you," explained Dexter Belling, Recreation Coordinator I. "The campout is a great introduction to camping and the perfect time for families to bond and create lifelong and life-changing memories."

On Friday, March 10 - Saturday, March 11, Veterans Oasis Park comes alive at night as the owls, crickets, and other nocturnal insect and animal friends wake up. Take time out from the busy spring to pitch a tent, and take in all the sights and sounds during a night hike. The evening also includes family relay games, arts and crafts and learning about the great outdoors.

When you tire, sit 'round a campfire and sing songs, eat ooey-goey s'mores and tell some (light) ghost stories. Fall asleep to the sounds of nature alive and well at the park. Wake in the morning to enjoy a pancake breakfast before packing up and heading home.

All that is required from campers is a tent (or borrow one from us while supplies last), sleeping gear, flashlight and sense of adventure. Meals and activity supplies will be provided. Staff will also be on hand to assist novice campers with equipment set-up and take down. Open to mothers with sons ages 6-12 years, the campout is a great way to discover the great outdoors without all of the usual camping hassles.

For more information, please see page 45 or call the Environmental Education Center at 480-782-2890.

A Mother's Testimony

"My son and I participated in the Mother & Son Campout held a while ago at the EEC. Dexter, along with several other park employees were on hand to make this just an incredible experience from start to end.

I'm not too big on camping, so I wasn't sure what to expect from this event. However, thanks to Dexter and his crew being so organized and helpful, I was able to sit back and enjoy a wonderful evening with my son. From the meals to games, the level of engagement and enrichment for the children was fabulous. We learned so much about camping and cooking outdoors that it didn't seem too daunting to try it on our own.

This is a great activity, and just one of the reasons I'm so glad to live in Chandler where programs like this are so well supported with resources and staff that go above and beyond to create experiences that won't soon be forgotten.

Thanks again to Dexter and everyone who helped that night. It is very much appreciated."

Four Summer Camp Adventures That Are Way Beyond Average

Summer is just around the corner!

Sure, the kids will be psyched to be out of school, but you've got camp panic on the brain. What's it going to be this year? Active academics, outdoor fun or a camp with different weekly themes. Don't worry; we've got your guide to all the action for a summer your kiddos will never forget.

For the Young Einsteins:

Kids will become junior Einsteins for the summer and embark on a series of adventures. Campers will have so much fun that they'll forget they're learning! Summer camp at the **Chandler Community Center** offers action-packed activities for ages 5-12 years old with a STEM experience. Campers will put their hardhat on and become engineers for the week, as they learn about aerospace, mechanical, automotive, and structural engineering. Working in teams, they'll complete construction missions using LEGO®, assemble a rocket, build a robot, and so much more! Art projects, field trips, swimming and sporting games will round out each day in a fun and challenging way.

For the Outdoor Adventurers:

If your kiddos are looking for a traditional experience that includes hiking, exploring the great outdoors, and swimming, check out the **Environmental Education Center's** Nature Camp. Programs are available to kids as young as 6 and up to 12 years old. When campers arrive at Veterans Oasis Park, they gather together for some morning games that include strategy and teamwork. After that, kids hike through the nature preserve, play games, make crafts, conduct experiments, eat lunch and snack and enjoy daily theme activities.

For the Active Athletes:

For a fun-filled active summer camp experience, check out sports camp at the **Snedigar Recreation Center**. With a variety of daily activities such as soccer, swimming, dance, and yoga, your little athletes will get a taste of everything as they learn new sports skills. Campers ages 5-12 years old begin the day with a group assembly, stretching and warm-up activity, and a fitness focus of the day. Throughout the day, kiddos will participate in four sports, along with games, arts and crafts, and outdoor play.

For the Aspiring Artists:

It's ok to make a mess at **Tumbleweed Recreation Center's** summer camp. There's so much to offer at this creative space designed for artists to learn, collaborate and inspire. When you pick them up you'll find that they spent a full day exploring art, being creative and playing and that they're not ready to go home. Each day they explore the great outdoors and incorporate nature into their creations. Every week focuses on a different theme and includes games, swimming, sports and special field trips.

You can plant a tree in tribute of a wedding, birth of a child, anniversary, or to honor the memory of a loved one. Just donate money towards the purchase of a special tree, or donate a live tree to the City of Chandler Parks Division. We will then arrange for the park site and planting of the tree, as well as the tree maintenance.

All living tree donations are tax-deductible.

For more information visit www.chandleraz.gov/Content/LivingTreeBrochure.pdf or call, 480-782-2753.

It is set up for groups to visit the park of their choice on a regular basis to collect litter and complete other tasks and projects to ensure the park is kept clean. Local service and youth organizations, church and neighborhood groups can have fun while also providing a valuable community service. Groups can also win awards for their efforts. By adopting a community park, residents are making their parks more beautiful and are extending tax dollars by allowing City parks employees to spend their time on major renovation, repair and maintenance work. *For more information call 480-782-2667 or visit www.chandleraz.gov/parks.*

HYDROLOGY

Although there is plenty of water on earth, it is not always in the right place, at the right time and of the right quality. Students will create and study their own watershed to demonstrate how rainfall is channeled and collected. Once the water is collected, students will assess potential pollution sources, test the water, and discuss current water conservation habits.

Homeschool Days are designed for families to learn together while exploring the environment of the Sonoran Desert and sustainability through hands-on learning activities that support the academic standards set by the Arizona State Board of Education.

For more information, contact Ariane Francis at 480-782-2886.

Take a self-guided journey along the Chandler Solar System Walk, a series of monuments and signs representing the sun, planets and other objects in our solar system, placed at scale distances along the pathway that surrounds the park's lake. The parties listed below include 1-10 children. Additional children can be added for an additional fee.

Resident fee: \$100 Non-resident fee: \$135

ENCHANTED GARDEN (ages 4-8)

Is your little one a day dreamer that loves to play in the dirt and enjoys the fun and enchantment of a garden and plants? If you answered yes, this is the party for them. Each party will incorporate an interactive learning atmosphere on seeds and plants while having kids plant their own seed and then decorate and personalize their very own flower pot.

BUGGIN-OUT (ages 4-8)

Does your child love bugs and anything creepy and crawly? This party incorporates lots of fun bug facts and a bug hunt. The party highlight for most children is when they get to create their very own "garden worm." Taking their garden worm home and watching it grow is sure to bring lots of smiles and memories.

DINO-MITE PARTY (ages 5-8)

Are dinosaurs and all things prehistoric fascinating to your child? If they want to learn how paleontologists identify different species by examining bones and teeth, your little explorer will love this party! While learning some of these interesting facts, the kids get to make their very own dinosaur egg to take home, and when ready, help it hatch.

YOU "ROCK" (ages 5-8)

Making rocks and minerals interesting to younger kids is what this party is all about. We teach kids about the different types of rocks and minerals and the cycles they go through. The kids get to perform their own delicious experiment to really understand some of the concepts we teach. Each child will decorate their own pet rock to take home.

TREASURE HUNT (ages 4-8)

Arrrrggghhh, this treasure hunt isn't like any your little one has been on before! We take the kids out around the park to explore and hunt for nature's treasures. Once all the treasures have been found outside we will bring the kids inside to decorate their very own treasure box.

ROCK HOUND (ages 5-8)

If rocks and minerals are your child's fascination, then come on out and join us for an easy dig for a variety of minerals and crystals while learning how to identify some of the most common types. Kids get to keep the minerals they find.

UNDER THE SEA (ages 5-8)

Bring your little one out on a mini adventure to make some fun crafts while discovering a few of the fish and other creatures that live in our oceans, lakes and rivers.

Additional parties options:

- Out of This World • Luau Party • Boot Camp Bash
- Under the Sea • Glamping/Camping Party (Seasonal)
- Off the Hook Fishing Party (Seasonal)
- Desert Detective Party (Seasonal)
