City of Chandler
Hydrant Meter Application

All requests for Hydrant Meters must be made in person at 175 S Arizona Ave, Suite A, Chandler AZ. A deposit in the amount of $1,450.00 must be submitted at the time of application and all past due balances must be paid in full prior to the City accepting additional requests for service. An Administrative service charge of $25.00 will be added to your first billing. A $46 charge will be assessed for each meter relocation request.

Specific detail instructions: Please mark fire hydrants in new subdivisions for easy identification by installers.
Detailed Instructions: __________________________

Terms of Use
Please read each statement carefully and then initial on the line provided.

_____ I understand any final balance due will be deducted from the deposit prior to being issued a refund check.

_____ I understand all bills are due upon receipt and accounts are subject to a late fee if not paid within 27 days of billing due date.

_____ I understand any equipment damage or loss of device (through theft or misuse) will be charged to my account.

_____ I understand no usage on a meter for more than 30 days may result in the meter being removed and the account closed.

_____ I understand temporary water meters are for commercial construction purposes only and may not be hard plumbed or used for irrigation purposes. Should it be found that a water meter is being used improperly, we reserve the right to remove the meter without notice and close the account.

_____ I understated if the job site is not ready or accessible when the installer arrives to set the meter, after two (2) trips to the site, a $50.00 fee for each trip thereafter will be assessed and added to the account.

_____ I understand if a private hydrant is being used, a letter from the owner of the hydrant must accompany this application request.

REMINDER: Using un-metered water and/or tampering with fire hydrants is action that could result in fines up to $2,500. Chandler City Code Section 52-30.
