

2010 Free Agents List

Individual Players,

Most teams in our Adult Sports Leagues are formed among longtime friends, co-workers or neighbors. We know it is difficult for some Chandler residents, especially people new to the community, to get on a team in our sports leagues.

Occasionally, coaches with already formed teams in our Adult Sports Leagues might reference this list to get players for their team. That is why we have created this list to help put individual players in touch with each other, so that they might form a team amongst each other and enter our leagues. Please note that coaches cannot add players to their roster after the 3rd week of games in a season.

Please take the initiative in checking this list and contacting other people like you who are interested in playing ball. The people on this list have given us permission to post their names and phone number or e-mail so that they may be contacted by other players to form a team.

If you would like to be added to this list, please email Ken Sipes at kenneth.sipes@chandleraz.gov. Please give us your name, **phone number and/or e-mail address, level of play (division), what position you would like to play, which day/night you would like to play, your residency, and the sport you would like to play.** We will post your information under the sport(s) you would like to play, so it will be easy for people interested in that sport to contact you or you to contact them.

Also, as well as posting your contact info on this list we encourage you to come to the coaches meeting for your desired sport. We have found this will lead to a higher chance of getting picked up by an already registered team.

Chandler Adult Sports leagues include: Men's and Co-Rec Softball, Men's Basketball, Men's Flag Football and Co-Rec Volleyball.
