FOR
COUNCIL AGENDA**

1. Agenda Item Number:

20

2. Council Meeting Date:

February 10, 2011

TO: MAYOR & COUNCIL

3. Date Prepared: January 25, 2011

THROUGH: CITY MANAGER

4. Requesting Department: Police

5. SUBJECT: Approve the utilization of State contract #SCC06002-A1 for the purchase of an Automated Fingerprint Identification System (AFIS) from Morpho Trak (formerly Sagem Morpho) in an amount not to exceed \$75,782.55.

6. RECOMMENDATION: Recommend approval of the utilization of State contract #SCC06002-A1 for the purchase of an AFIS from Morpho Trak in an amount not to exceed \$75,782.55.

7. HISTORICAL BACKGROUND/DISCUSSION: The Chandler Police Department's (CPD) Forensic Services Section analyzes all information obtained at either of the Livescan locations, all 10-print cards, and all latent fingerprints recovered from crime scenes prior to being uploaded to the State's AFIS. Our lab currently has only one AFIS workstation and due to increased volume of 10-print cards and latent prints being analyzed, an additional workstation is necessary to process the workload. The new workstation would be used primarily by our Latent Examiners in their latent print processing duties.

8. EVALUATION PROCESS: Per AZ Revised Statute §41-2413, Arizona Department of Public Safety (DPS) is the manager of AFIS. The Morpho Trak system is the only system utilized by the State and the AFIS equipment has been bid by DPS. The use of this contract for the purchase of this equipment eliminates the cost of issuing a bid, reduces the lead time in obtaining the products and results in a lower product cost due to the State's purchasing power. A purchase order will be used as the agreement to purchase this equipment.

9. FINANCIAL IMPLICATIONS:

Costs: \$75,782.55
Savings: N/A
Long Term Costs: N/A

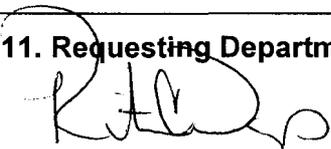

Fund Source: Funds for this purchase will be from Justice Aid Grant (JAG), Police Forensic Services, Other Equipment, Latent Processing Platform Project, account number 217-2021-6320-PD2201
