COUNCIL AGENDA
Memo No. ST11-013**

1. Agenda Item Number:
24
2. Council Meeting Date:
April 14, 2011

TO: MAYOR & COUNCIL

3. Date Prepared: March 16, 2011

THROUGH: CITY MANAGER

4. Requesting Department:
Transportation & Development

5. SUBJECT: Approve the use of the City of Apache Junction Contract #PW2010-13 for the purchase of Equipment and Labor to Crush Recycled Asphalt / Concrete from Sunland Inc. Asphalt and Sealcoating in the amount of \$120,000.

6. RECOMMENDATION: Recommend approval of the use of the City of Apache Junction Contract #PW2010-13 for the purchase of Equipment and Labor to Crush Recycled Asphalt / Concrete from Sunland Inc. Asphalt and Sealcoating in the amount of \$120,000.

7. BACKGROUND/DISCUSSION: The City will be performing alley and road shoulder dust suppression and rehabilitation throughout Chandler as part of the County's regional PM-10 5% reduction plan required by the Environmental Protection Agency in the State of Arizona. The work will consist of lowering the alley and road shoulder grades and replacing removed material with crushed asphalt millings. The asphalt millings will be graded and compacted, and the alleys will be sealed with an asphalt sealer to rejuvenate the asphalt. This process will significantly reduce dust emissions in the alleys and will reuse asphalt-milling material. The crushed asphalt material will be for a (MAG) Maricopa Association of Governments Grant Fund Alley project consisting of placing asphalt millings on approximately 10 miles of City alleys.

8. EVALUATION: The crushing of asphalt / concrete was bid by the City of Apache Junction as a Strategic-Alliance-Volume-Expenditures (S.A.V.E.) approved contract. An award was made to Sunland Inc. Asphalt and Sealcoating. The use of this contract reduces the lead-time in obtaining the products and results in lower costs. Council has approved use of S.A.V.E. as a Purchasing Cooperative which allows for cooperative purchasing. A purchase order will be used as our Agreement.

9. FINANCIAL IMPLICATIONS:
