**6. RECOMMENDATION:** Recommend approval of Amendment 2 extending Agreement WW0-962-2759 for Video Inspection of Sewer Lines with Clean View Hydrovac Services in an amount not to exceed \$200,000.

**7. HISTORICAL BACKGROUND/DISCUSSION:** Chandler has approximately 862 miles of sewer lines. Sewer lines deteriorate as they age from corrosion caused by sewer gases. Using the recommended contract, Wastewater Collection will inspect older sewer lines, detect potential problems and make necessary repairs prior to street overlays. Additionally, Maricopa County requires videotaping of all new sanitary sewer lines. This Agreement will provide for video inspections of new and existing sewer lines.

**8. EVALUATION PROCESS:** In August 2009 Council awarded Agreement WW0-962-2759 for video inspection of sewer lines. The contract was awarded for a one-year period with provisions to extend four additional one-year periods. Amendment 2 will execute the second one year extension.
