**SUBJECT:** ORDINANCE NO. 4293 GRANTING A NO COST, NON-EXCLUSIVE IRRIGATION EASEMENT TO THE ROOSEVELT WATER CONSERVATION DISTRICT (RWCD) TO RELOCATE IRRIGATION FACILITIES ALONG THE NORTH SIDE OF QUEEN CREEK ROAD AT EMMETT ROAD AND FROM GILBERT ROAD EASTWARD.

**RECOMMENDATION:** Staff recommends introduction and tentative approval of Ordinance No. 4293 granting a no cost, non-exclusive irrigation easement to the Roosevelt Water Conservation District (RWCD) to relocate irrigation facilities along the north side of Queen Creek Road at Emmett Road and from Gilbert Road eastward.

**BACKGROUND/DISCUSSION:** Previously the Chandler City Council approved the Gilbert Road from Germann Road to Queen Creek Road Improvement Project ST-0625. The project has been completed. As part of the project it was necessary to relocate irrigation facilities owned by RWCD. The City agreed to grant (subject to Council approval) a new non-exclusive irrigation easement to RWCD to replace the original RWCD easement in this area.

The easement is located within the north right-of-way of Queen Creek Road at Emmett Road and from Gilbert Road eastward and consists of a long narrow irregularly shaped easement containing approximately 17,060 square feet or approximately 0.39 acres.

Staff has confirmed that the legal description of the new easement is correct and that RWCD had prior rights at this location.

### **IRRIGATION EASEMENT AND AGREEMENT**

This Irrigation Easement and Agreement (this "Agreement") is entered into as of this \_\_\_\_ day of \_\_\_\_\_, 2011, among the ROCK-QUEEN CREEK LLC, a Delaware limited liability company ("Rockefeller"); and ROOSEVELT WATER CONSERVATION DISTRICT, a political subdivision of the State of Arizona, its successors and assigns ("RWCD").

#### **RECITALS**

A. Rockefeller is the owner of that certain real property legally described on *Exhibit A* (the "Rockefeller Property") which is immediately adjacent and abuts real property owned by the City of Chandler ("City") as a right of way that is commonly known as Queen Creek Road ("City ROW").

B. RWCD has existing irrigation facilities in the City ROW (the "Existing RWCD Facilities").

C. City desires to develop the City ROW in a manner that would require the relocation of the Existing RWCD Facilities to the land legally described on *Exhibit B* (the "New Easement Area"), which is located within the Rockefeller Property.

D. RWCD is willing to permit the City to relocate the Existing RWCD Facilities to the New Easement Area (a) subject to the City agreeing to provide RWCD an easement for the portion of the New Easement Area located within the City ROW and consenting to the joint use with RWCD of the New Easement Area in any locations where any public utility easements overlap the New Easement Area, and (b) based upon Rockefeller providing RWCD an easement on the terms and subject to the conditions herein contained.

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

1. **Grant of Easement.** Rockefeller hereby grants to RWCD a permanent and exclusive easement over, across, under and through the New Easement Area to construct, maintain, operate, repair, and replace an underground irrigation water delivery system and all

necessary and appurtenant facilities and improvements, including any above ground appurtenances, within the New Easement Area (the "Improvements"), together with an easement for ingress and egress over that portion of the Rockefeller Property as is reasonably necessary for RWCD to access the New Easement Area and exercise the easement rights granted herein. Due to the nature of the Improvements, Rockefeller will not retain any access rights within the New Easement Area and access will only be permitted through prior written approval by RWCD. To the extent that the New Easement Area exists within any public utility easements held by the City, the easement granted under this paragraph shall be non-exclusive.

2. **Maintenance Within the New Easement Area.** In the event RWCD performs work within the New Easement Area or repairs or maintains the Improvements within the New Easement Area ("Maintenance"), RWCD shall restore the surface of the New Easement Area to grade level. No replacement of curbs, sidewalks, paving, trees, shrubs, or other landscaping material shall be performed by RWCD as a result of its Maintenance within the New Easement Area. Rockefeller acknowledges that RWCD did not choose to locate the Improvements within the City ROW and the Rockefeller Property and RWCD is not responsible for replacing any curbs, sidewalks, or paving that is placed over the New Easement Area that must be disturbed in order to permit RWCD to access the Improvements.

3. **Initial Construction of Improvements; Mechanic's Liens.** RWCD shall cause the City to construct the Improvements in accordance with (i) the specifications and requirements of RWCD's engineers ("Design Plans"), as may be reasonably modified as needed to conform to the specifications and requirements of RWCD's engineers, and (ii) all local, state and federal laws and regulations.

4. **Obstructions.** No Obstruction(s) shall be permitted and RWCD will have the right to enter upon the Rockefeller Property and remove any Obstruction(s) from the New Easement Area without prior notice to Rockefeller. "Obstruction(s)" shall mean any structure or any blockage or impediment of any kind within the New Easement Area that (a) impairs the use or functioning of the Improvements in any way or (b) impairs RWCD access to its irrigation system or the Improvements. Obstructions shall include, but not be limited to, any drainage swells or other retention placed within the New Easement Area.

5. **Indemnity.** Rockefeller shall defend, indemnify and hold RWCD harmless for, from and against any and all claims, liabilities and expenses (including reasonable attorneys' fees) relating to accidents, injuries, loss, or damage of or to any person or property arising from the use of the Rockefeller Property by Rockefeller, its officers, employees, agents, contractors, successors and assigns. To the extent permitted by applicable law, RWCD shall defend, indemnify and hold Rockefeller harmless for, from and against any and all claims, liabilities and expenses (including reasonable attorneys' fees) relating to accidents, injuries, loss, or damage of or to any person or property arising only from the gross negligence or intentional misconduct of RWCD in the use of the Improvements within the New Easement Area.

6. **Covenants Running with Land and Binding Upon Successors; Further Acts.** The obligations, burdens, rights and benefits stated herein shall run with the land and shall be appurtenant to the Rockefeller Property and the New Easement Area, as applicable.

The terms "Rockefeller" and "RWCD" shall be deemed respectively to include any successor holder of fee title to the Rockefeller Property (including (i) any municipality obtaining title by dedication or condemnation or (ii) any Association, as defined below, which is a successor (or whose members are successors), in whole or in part, to Rockefeller), and any successor holder of the easement rights to the New Easement Area, and this Agreement shall bind and inure to the benefit of the successors and assigns in title of such parties. Rockefeller may assign its rights and obligations under this Agreement in connection with the conveyance of all or a portion of the Rockefeller Property or to an association created to act as a property owners' association (the "Association") within the Rockefeller Property so long as the Association or other successor agrees in writing to accept the obligations of this Agreement. Rockefeller will give prompt written notice to RWCD of any assignment made pursuant to the terms of this Section 7 and must provide RWCD a fully signed copy of the written assumption. Any assignment made by Rockefeller that does not contain a written assumption of the obligations of this Agreement is invalid and unenforceable.

7. **Counterparts.** This Agreement may be executed in counterparts, each of which shall be deemed to be an original and all of which, when taken together, shall constitute one and the same instrument.

8. **Remedies; Attorneys' Fees, Engineers' Fees, and Costs.** In addition to any other remedies available herein or at law or in equity, the parties shall have the right to maintain an action at law for actual damages sustained as a result of the breach of this Agreement (but specifically excluding exemplary, punitive, or consequential damages) and/or to enjoin or otherwise restrain any such breach, or continuing breaches thereafter. All costs and expenses incurred by the non-breaching party to seek damages from, or equitable relief against, a defaulting party as a result of breaches of this Agreement, together with the non-breaching party's reasonable attorneys' fees, engineers' fees, expert witness fees, costs of tests and analyses, deposition and trial transcript costs and costs of court shall be assessed against, and paid by, the defaulting party.

9. **Not a Public Dedication.** Nothing contained herein shall be deemed to be a gift or dedication of any portion of the properties encumbered hereby to the general public or for any public purpose whatsoever, it being the parties' intent that this Agreement shall be strictly limited to and for the purposes expressed in this Agreement.

10. **Not a Partnership.** This Agreement is neither intended to create a partnership nor to create a joint venture between Rockefeller and RWCD, and no relationship may be deemed to have occurred contrary to this intent.

11. **Miscellaneous.** Time is of the essence of this Agreement and each and every provision hereof. The captions and headings of the various sections of this Agreement are for convenience and identification only and shall not be deemed to limit or to define the contents of the respective sections. Invalidation of any one of the covenants, conditions, restrictions or other provisions contained herein by judgment or court order shall in no way affect any of the other covenants, conditions, restrictions or provisions hereof, and the same shall remain in full force and effect. This Agreement shall be construed according to its ordinary meaning and shall not be strictly construed for or against any party hereto. This Agreement has been executed in
