**6. RECOMMENDATION:** Approve the use of State of Arizona Contract No. ADOT11-00000407 Various Formulations of Fast Dry Traffic Paint with Ennis Paint Inc. and Sherwin-Williams for paint purchase, in a combined total amount not to exceed \$98,595.

**7. BACKGROUND/DISCUSSION:** The Traffic Engineering Division has an on-going program to restripe all arterial and collector roads in the City on an annual basis, including repainting of longitudinal lines, lane lines, centerlines, and bike lanes. It also includes restriping of transverse lines, including stop bars, crosswalks, arrow symbols, and railroad crossings. It is estimated that 14,000 gallons of paint (9,200 gallons of white and 4,800 gallons of yellow) are needed. This is a water-based paint that is fast drying and is used by ADOT as well as other valley cities.

**8. EVALUATION PROCESS:** The State of Arizona issued an Invitation for Bid for the purchase of fast dry traffic paint as a statewide cooperative bid, and an award was made to Ennis Paint, Inc. and Sherwin-Williams. By utilizing the State of Arizona contract, it eliminates the bidding costs and provides the opportunity to participate in discounts not normally available to the City. A purchase order will serve as our contract.
