6. RECOMMENDATION: Recommend approval of Agreement SW1-926-3007 for recycling service to Westech Recyclers, Inc.

7. HISTORICAL BACKGROUND/DISCUSSION: In 1995, prior to the City's landfill closing, Solid Waste Services implemented a recycling program for scrap metal items self-hauled by residents for landfill disposal. Over time, the City has implemented other programs for waste with recycling or reuse value – such as cardboard, electronics and small appliances, foam padding, tires, wooden pallets, corrugated plastic signs, and reusable goods.

With established recycling and reuse programs at the Recycling-Solid Waste Collection Center (RSWCC), and through curbside bulk collection, residents are required to separate these materials for diversion. By recycling these materials, the City reduces the costs associated with landfill disposal.

Electronics and scrap metal are two of the largest quantities of recycling materials received at the RSWCC and through curbside recycling bulk collection. Due to tonnage and revenue generated, the City maintains separate agreements for collection and marketing.

Revenue generated from electronics and small appliances is an established price per ton in the contract. Tonnage for these materials fluctuates based on what residents self-haul to the RSWCC, and what is collected through curbside bulk collection.

The current agreement expires August 31, 2011. Staff expanded the request for proposals to include other recycling materials such as styrofoam products, but received no proposals.

8. EVALUATION PROCESS: On May 5, 2011, staff issued RFP SW1-926-3007 for recycling services. The RFP requested pricing and methodology for recycling materials collected at the RSWCC including electronics, small appliances, and scrap metal. The City received one proposal. An evaluation committee evaluated the proposal and is recommending award to Westech for electronics and small appliances. The requested agreement will have a two-year (2) term with provisions to extend up to four (4) additional years.

9. FINANCIAL IMPLICATIONS:

Revenue proceeds are applied to Solid Waste's operating fund.

Revenue: Estimated revenue based on current markets is approximately \$11,000

Savings: Cost savings associated with landfill disposal is approximately \$10,000

Long Term Cost: N/A

This fee shall be in the amount to be mutually agreed upon by the CONTRACTOR and CITY, based on the agreed Scope of Work. IT IS THE INTENTION OF THE PARTIES to this contract that the City of Chandler, its Mayor and Council, appointed boards and commissions, officials, officers, employees, individually and collectively, are to be indemnified against their own negligence unless and except their negligence is found to be the sole cause of the injury to persons or damages to property. - C. All insurance required herein shall be maintained in full force and effect until all work or services required to be performed under the terms of this Agreement is satisfactorily completed and formally accepted. Failure to do so may, at the sole discretion of CITY, constitute a material breach of this Agreement and may result in termination of this contract.
- D. If any of the insurance policies are not renewed prior to expiration, payments to the CONTRACTOR may be withheld until these requirements have been met, or at the option of the City, the City may pay the Renewal Premium and withhold such payments from any monies due the CONTRACTOR.
- E. All insurance policies, except Workers' Compensation required by this Agreement, and self-insured retention or deductible portions, shall name, to the fullest extent permitted by law for claims arising out of the performance of this contract, the City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insureds.
- F. CONTRACTOR'S insurance shall be primary insurance over any insurance available to the CITY and as to any claims resulting from this contract, it being the intention of the parties that the insurance policies so effected shall protect both parties and be primary coverage for any and all losses covered by the described insurance.
