5. SUBJECT: Approve Agreement No. ST2-745-3040 for Concrete Repair and Maintenance to CPC Construction Inc. in an amount not to exceed \$1,589,000 for one year with options to extend up to two (2) additional one-year periods.

6. RECOMMENDATION: Recommend approval of Agreement No. ST2-745-3040 for Concrete Repair and Maintenance to CPC Construction Inc. in an amount not to exceed \$1,589,000 for one year with options to extend up to two (2) additional one-year periods.

7. BACKGROUND/DISCUSSION: When street repaving is scheduled for Chandler streets, concrete repair work may be needed before repaving. The current volume of concrete repairs to be completed by the Streets Division exceeds the capacity of existing crews. This concrete work includes standard maintenance and repair of damaged existing concrete and upgrading of existing handicap ramps and driveways to current standards required by the Americans with Disabilities Act (ADA). This Agreement is necessary to complete concrete work before any required street rehabilitation projects. Upcoming asphalt repaving locations are included in the attached map. Streets are selected for rehabilitation based on a pavement rating system and are typically 20 years old or older. Additionally, the Streets Department has added \$835,801 to the contract for new 2012 ADA requirements. The new modifications may mandate two-directional handicap ramps at all intersections, and various crossing locations. The changes in regulations may result in up to doubling the cost of the current contract bid total. CPC Const. has agreed to extend their unit prices through the contract, and for any additional work that may result from the elevated scope of work. Transit Services has also added \$12,000 to the contract for concrete bus pads at various locations.

8. EVALUATION PROCESS: On September 15, 2011 City staff issued a bid for Concrete Repair and Maintenance. Notification was sent to all registered vendors and ten (10) responses were received and are listed as follows:

CPC Construction Inc.	- \$ 729,199.00	Standard Construction	- \$1,039,282.50
Knochel Bros. Inc.	- \$ 904,384.00	Nesbitt Contracting	- \$1,075,152.50

- 14.1. No Kickback.** CONTRACTOR warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee; and that no member of the City Council or any employee of the CITY has any interest, financially or otherwise, in the firm unless this interest has been declared pursuant to the provisions of

A.R.S. Section 38-501. Any such interests were disclosed in CONTRACTOR'S proposal to the CITY.

14.2. Kickback Termination. CITY may cancel any contract or agreement, without penalty or obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating the agreement on behalf of the CITY is, at any time while the Agreement or any extension of the Agreement is in effect, an employee of any other party to the Agreement in any capacity or a CONTRACTOR to any other party to the Agreement with respect to the subject matter of the Agreement. The cancellation shall be effective when written notice from CITY is received by all other parties, unless the notice specifies a later time (A.R.S. §38-511).

14.3. No Conflict: CONTRACTOR stipulates that its officers and employees do not now have a conflict of interest and it further agrees for itself, its officers and its employees that it will not contract for or accept employment for the performance of any work or services with any individual business, corporation or government unit that would create a conflict of interest in the performance of its obligations pursuant to this project.

15. GENERAL TERMS:

15.1. Ownership. All deliverables and/or other products of the Contract (including but not limited to all software documentation, reports, records, summaries and other matter and materials prepared or developed by CONTRACTOR in performance of the Contract) shall be the sole, absolute and exclusive property of CITY, free from any claim or retention of right on the part of CONTRACTOR, its agents, sub-contractors, officers or employees.

15.2. Performance and Payment Bonds. Within fifteen (15) days from the time a Contract is awarded, CONTRACTOR shall furnish fully executed Performance and Payment Bond (Labor and Materials) in such form and context as determined by CITY from a surety approved by CITY. Said bonds shall be in a sum no less than one hundred (100%) of the Contract price.

CITY has the option to forfeit said bonds if the Contract is terminated by the default of CONTRACTOR or if CITY determines that CONTRACTOR is unable or unwilling to complete the work as specified in the Contract Documents.

If the Contract schedule is not adhered to, and CITY determines that the work is unlikely to be completed within a reasonable time after the original target date, then CITY may terminate the Contract and collect the Performance Bond. The Performance Bond will be reviewed annually and any increases in the contract amount will require bond to be increased and reissued.

15.3. Entire Agreement. This Agreement, including Exhibits A and B attached hereto, constitutes the entire understanding of the parties and supersedes all previous representations, written or oral, with respect to the services specified herein. This Agreement may not be modified or amended except by a written document, signed by authorized representatives of each party.

15.4. Arizona Law. This Agreement shall be governed and interpreted according to the laws of the State of Arizona.

15.5. Assignment: Services covered by this Agreement shall not be assigned in whole or in part without the prior written consent of the CITY.

15.6. Amendments. The Contract may be modified only through a written Contract Amendment executed by authorized persons for both parties. Changes to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the City in writing or made unilaterally by the CONTRACTOR are violations of the Contract. Any such changes, including unauthorized written Contract Amendments shall be void and without effect, and the CONTRACTOR shall not be entitled to any claim under this

Contract based on such changes.

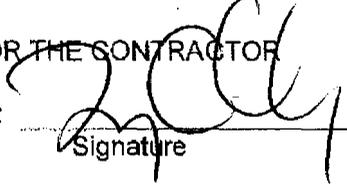

- 15.7. **Independent CONTRACTOR.** The CONTRACTOR under this Contract is an independent CONTRACTOR. Neither party to this Contract shall be deemed to be the employee or agent of the other party to the Contract.
- 15.8. **No Parole Evidence.** This Contract is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade shall supplement or explain any terms used in this document and no other understanding either oral or in writing shall be binding.
- 15.9. **Authority:** Each party hereby warrants and represents that it has full power and authority to enter into and perform this Agreement, and that the person signing on behalf of each has been properly authorized and empowered to enter this Agreement.
