**6. RECOMMENDATION:** Recommend approval of Amendment No. 1 to Agreement TE0-155-2766 with Lacor/Streetscape for the purchase of Bus Shelters and Bus Shelter Furniture, for a two-year period, in an amount not to exceed \$65,000.

**7. HISTORICAL BACKGROUND/DISCUSSION:** In February 2009, City Council approved a bus shelter replacement program for older bus shelters located throughout the City. In November 2009, City Council approved the award of Agreement TE0-155-2766 for the purchase of shelters and related furniture to upgrade the quality of bus shelter amenities used by the public. Under the original program, 23 new solar-lit bus shelters replaced existing older shelters at locations throughout the city. It also included the refurbishment of shelter benches, advertising kiosks, and trash receptacles. The original agreement provided for two, two-year renewal term options for additional bus shelter & furniture purchases. This amendment to extend is the first two-year renewal term option.

Lacor/ Streetscape has been good to work with over the duration of the initial contract term. They have been very responsive and have provided high quality shelter furniture to the City. Most of the newer shelters in the City of Chandler were provided by Lacor/ Streetscape. Additionally, Lacor/ Streetscape offered an outstanding price for their bus shelter furniture when they were awarded this contract two years ago. Under this new contract extension, they have agreed to keep their costs the same as they were under the initial contract.

Under this proposed contract extension, the City would replace dilapidated bus shelter furniture along bus routes in the city, with the majority of work being done along Alma School Road between Chandler Boulevard and Elliot Road. This extension includes the purchase of three new shelters, the refurbishment of two shelters, as well as the purchase of new trash receptacles and advertising kiosks. Additionally, aging shelters that can be refurbished will be refurbished, saving the City on the cost of a new shelter. This request is for an amount up to \$65,000 and does not guarantee the contractor the full contract amount – the City will only spend as much as needed.

**8. EVALUATION PROCESS:** In November 2009, Council awarded Agreement No. TE0-155-2766 for the purchase of Bus Shelters and Bus Shelter Furniture for a two-year period, with provisions to extend for two additional two-year terms. Staff is requesting to extend the first two-year renewal, December 1, 2011 through November 30, 2013.

**9. FINANCIAL IMPLICATIONS:** Funds for this project are allocated from the Local Transportation Assistance Fund, Bus Stops & Improvements, account 216.3310.0000.6517.10T015.
