SUBJECT: LUP11-0021 JERSEY D’S TAVERN & GRILL

Request: Liquor Use Permit approval to sell liquor as permitted under a Series 6 Bar License for on-premise consumption indoors and within an outdoor patio area and live entertainment indoors at an existing bar/restaurant

Location: 5945 W. Ray Road, Suite 13, southeast corner of Ray and Kyrene Roads

Applicant: Dennis Delaney, business owner

RECOMMENDATION

The request is for liquor Use Permit approval to allow liquor sales as permitted under a Series 6 Bar License for an existing bar/restaurant’s interior dining and outdoor patio area, and live entertainment indoors. This is an existing development in west Chandler, Laguna Village Shopping Center. Planning Commission and Planning Staff, finding consistency with the General Plan and C-2/PAD (Community Commercial with Planned Area Development overlay) zoning, recommend approval.

BACKGROUND

The request is for a Series 6 Bar License to allow the on-site sale of beer, wine, and spirits for on-site consumption without a limitation on gross revenue from the sale of food. The bar/restaurant currently has a Series 6 Bar License and was approved a Liquor Use Permit for a Series 6 in September 2006 when the business was Copper Canyon Grill and Brew Pub. The new

owner purchased the business and received a Series 6 State Liquor License for this establishment in April 2007.

The 2006 Liquor Use Permit was approved with a two year time limit, expiring in September 2008. The approval conditioned any addition or expansion of entertainment related uses requiring a new Liquor Use Permit and conformance with the exhibits and representations submitted with the request. The outdoor patio remained as-is without expansion at that time. The business had been Copper Canyon Brewery since about 1997. The brewery had various liquor licenses including a brewery, beer and wine bar, restaurant, and bar license. The business had changed owners a few times. With the last liquor approval in 2006, the floor plan included two pool tables and multiple freestanding video game machines, and represented daily events including Texas Hold 'em tournaments, acoustic bands, karaoke, live amplified bands, and free pool. The music occurred in a small area by the front entrance. No stage existed and a new Liquor Use Permit was required if a stage was desired.

There were concerns with the existing outdoor patio during the last case. Council had requested additional information due to a neighbor concern about noise from the patio. Two zoning conditions were added stating the patio shall not be open to patrons after 10 p.m. Sunday through Thursday, and decibel levels of recorded or live music shall be controlled so as not to present a nuisance to residential properties beyond the boundaries of the shopping center.

Jersey's recently submitted building permits to the City and through this process the contractor and owner were notified of the expired Liquor Use Permit. Staff was made aware of a stage inside for live music and changes to the outdoor patio as well as building improvement violations that have no building permits. Changes to the outdoor patio are in violation of the development's Preliminary Development Plan (PDP) approved with the C-2/PAD zoning and being addressed separately from the Liquor Use Permit.

The bar/restaurant is approximately 4,500 square feet in size with an outdoor patio approximately 380 square feet in size. The interior of the bar includes table seating, booths, and bar seating with approximately 150-200 seats. That patio was originally designed to seat approximately 30 patrons; however, due to changes to this area, it appears that number has increased slightly. The patio is adjacent to an existing pedestrian walkway to and from the adjacent single-family residential subdivision south of the shopping center. The patio was originally walled off from the interior and accessed by a doorway. A portion of the wall is removed and now is built with a sliding window system with roll-up metal doors providing an outdoor bar top. This area is located at the patio's north end.

An indoor stage was constructed at the northwest corner of the interior. The stage is triangular in shape and covers approximately 150 square feet of interior space. Live music is represented to occur on Friday and Saturday from 9 p.m. to 1 a.m.; however, days and times may vary pending customer demand and events. Dancing does occur in front of the stage.

The business is open seven days a week from 11 a.m. to 2 a.m. During football season, the business opens at 8:30 a.m. The patio has a couple of televisions. Breakfast is served during the football season with lunch and dinner regularly served.

Planning Staff recommends approval of this request finding that the business operations, as they exist, including a Series 6 bar liquor license, live entertainment, pool tables, and the like have operated for several years and have been compatible with the surrounding area.

PUBLIC / NEIGHBORHOOD NOTIFICATION

- The request was noticed in accordance with the requirements of the Chandler Zoning Code.
- The applicant's neighborhood meeting was held on January 24, 2012. No one attended other than the applicant.
- The Police Department has been informed of the application and has responded with no concerns.
- At the time of the memo, Planning Staff received two phone calls from area residents. One person does not support approval for liquor at this business, and the other resident does not want music on the patio, which is not proposed.

PLANNING COMMISSION VOTE REPORT

Motion to Approve.

In Favor: 6 Opposed: 0 Absent: 1 (Veitch)

RECOMMENDED ACTION

Planning Commission and Planning Staff, upon finding consistency with the General Plan and C-2/PAD zoning, recommend approval of Use Permit LUP11-0021 JERSEY D'S TAVERN & GRILL, subject to the following conditions:

1. Expansion, modification, or relocation beyond the approved exhibits (Site Plan, Floor Plan, and Narrative) shall void the Use Permit and require new liquor Use Permit re-application and approval.
2. The liquor Use Permit is granted for a Series 6 Bar License only, and any change of licenses shall require re-application and new liquor Use Permit approval.
3. The liquor Use Permit is non-transferable to other restaurant locations.
4. The site shall be maintained in a clean and orderly manner.
5. The patio shall be maintained in a clean and orderly manner.
6. Music, including live music and speakers, are prohibited on the outdoor patio.

7. Live music and entertainment as represented shall occur indoors only and shall be controlled so as to not unreasonably disturb area residences or adjacent businesses and shall not exceed the ambient noise level as measured at the commercial property line.

PROPOSED MOTION

Move to approve Liquor Use Permit case LUP11-0021 JERSEY D'S TAVERN & GRILL, subject to the conditions recommended by Planning Commission and Planning Staff.

Re: Renewal of Liquor Use Permit at 5945 W. Ray Road, Suite 13, Chandler, AZ 85226

Dear Ms. Novak:

My name is Dennis Delaney, I am the owner of Delaney Enterprise, LLC dba Jersey D's Tavern & Grill currently leasing at Laguna Village Shopping Center, 5945 W. Ray Road, Suite 13, Chandler, AZ 85226.

I respectfully submit this letter to request an amendment to what currently exists and renewal of our Series 6 Bar License. Jersey D's Tavern & Grill is appropriately 4,500 sq. ft. which allows an occupancy capacity of 196. We are open seven days a week and our hour of operation is Monday-Sunday 11:00 a.m. to 2:00 a.m. During football our hour of operation is Monday-Friday 11:00 a.m. to 2:00 a.m. and Saturday and Sunday from 8:30 a.m. to 2:00 a.m. We have an existing patio which includes seating and two T.V.'s. The patio is approximately 42' X 9'. It will be covered with an awning as it gets hot. This will be a smoking/lounge area for the customers. This is exactly what is needed to accommodate our customers.

Inside the bar : a triangular stage in the northwest corner that is approximately 15' x 10' to accommodate live music consisting anywhere between 1 to 5 members in a band. We request approval to have live entertainment indoor on the weekends (Friday and Saturday from 9 p.m. to 1 a.m.). Occasionally, live entertainment during the week from 7 p.m. to 11 p.m. or 11 p.m. to 1 a.m. Sometimes there is dancing associated with the music that is approximately 12' x 20'.

Sincerely,

A handwritten signature in black ink, appearing to read 'Dennis Delaney'.
