**SUBJECT:** RESOLUTION NO. H0099, A RESOLUTION OF THE PUBLIC HOUSING AUTHORITY COMMISSION AUTHORIZING THE SUBMISSION OF A CERTIFICATION TO THE UNITED STATES DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR IT'S DESIRE TO RENEW THE DESIGNATION OF 127 NORTH KINGSTON STREET FOR OCCUPANCY BY ELDERLY OR NEAR ELDERLY FAMILIES

**RECOMMENDATION:**

Staff and the Housing and Human Services Commission recommend to the Public Housing Authority Commission the adoption of Resolution No. H0099 approving the submission of a certification to the United States Department of Housing and Urban Development for it's desire to renew the designation of 127 N. Kingston for elderly or near elderly families

**BACKGROUND:**

The City's Housing and Redevelopment Division (a.k.a. the Public Housing Authority) assists 303 families in Public Housing. Since the inception of the Public Housing Authority, the apartments located at 127 N. Kingston have been designated as elderly and near elderly units. Elderly is defined by HUD as a person 62 years of age or older and near elderly is defined as a person 55 years of age or older. Staff is recommending the continuation of this designation.

DISCUSSION:

The Public Housing Authority, the Resident Council, and the City of Chandler have recognized that the elderly residents of Public Housing may need additional supportive services when they reach the age of 62 years or older. To assist with this need, Kingston Arms Apartments were envisioned and constructed in the early 1970's as apartments designated for the purpose of serving "elderly and near elderly" low income residents.

The United States Department of Housing and Urban Development (HUD) has published a Notice requiring Public Housing Authorities to reapply for the designation of housing for specific populations every two years. As a part of the renewal request, the Public Housing Authority Commission must submit a certification requesting the renewal and address four criteria regarding the location. The Housing Authority must identify the project by name and number; it must specify the number of units and percentage of the project to be designated, it must specify the total number of units in the affected project and identify the population served in the designated units. This information is outlined in the certifying resolution.

If HUD grants the request to continue the designation, the elderly designation would continue for two (2) additional years and would be subject to another renewal. The designation would continue to only apply to Kingston Arms Apartments as it has for the past 40 years.

FINANCIAL IMPLICATIONS:

The United States Department of Housing and Urban Development funds the costs associated with the Public Housing Program. This request is to continue operations as they have been since the inception of Chandler's Public Housing program. No cost impacts are anticipated with this request.

PROPOSED MOTION:

Move to approve Resolution No. H0099 of the Public Housing Authority Commission, authorizing the submission of a certification to the United States Department of Housing and Urban Development for its desire to renew the designation of 127 North Kingston Street for occupancy by elderly or near elderly families.
