Nando's of Chandler, LLC. (dba; Nando's Mexican Café)

1890 West Germann Rd # 2

Chandler, AZ. 85286

Nando's Mexican Café is a locally owned and operated full-service Mexican restaurant. Currently, we have two locations in Gilbert and Mesa. Nando's of Chandler, LLC will add our 3rd location at the Shops at Pecos Ranch located on the northwest corner of Dobson & Germann.

Nando's Mexican Café has requested a Series 12 liquor license for the Chandler location. We will utilize the license to serve a full menu of spirits. Currently we serve approximately 80% food and 20% alcohol at our existing locations. Our projections for the Chandler location are in line with our existing locations. Nando's of Chandler, LLC plans to employ approximately 40 employees with a mix of full and part-time.

We will maintain hours of operations from 11am-10pm daily and open seven days a week. Our guest will have access to 4 tv's located in the bar and patio. Nando's will provide no other live entertainment or gaming.

Nando's Mexican Café's location at 1890 W. Germann Rd #3 in Chandler, AZ. 85286 will be approximately 5700 sq ft and the lot square footage is 439,855 sq ft. Nando's will have approximately 192 seats inside and 50 seats on the patio. Guests will be able to access the patio from 3 locations; from the main entrance through the bar, an outside entrance on the west end of the patio and on the east side of the patio.

Nando's Mexican Café currently complies with all Arizona Smoke Free laws. The Chandler location will also comply with all Arizona Smoke Free laws. We will have a designated smoking area approximately 30 feet from our south patio entrance. Also, we have the ability to seal off the patio from the dining areas and fly fans will be in operation to eliminate any smoke from entering the facility.

Nando's Mexican Café will be making some site improvements to the patio, bar and dining areas. We will be completing the block wall fencing around the patio, adding concrete flooring to the patio, and providing additional cover to the patio. We will be relocating the bar to the southwest corner of the facility and adding sliding glass doors to access the patio. The dining areas will only see cosmetic changes.

We will be adding only one sign to the exterior of the building which will be west facing. The current parking setup and pedestrian access is completed will not be altered from its current state.
