Dear Chief Jeff Clark:

The application that your agency submitted to the Arizona Department of Homeland Security (AZDOHS) for consideration under the Homeland Security Grant Program has been awarded. The project titled "**Enhance Rapid Response Teams - Fire**" has been funded under the URBAN AREA SECURITY INITIATIVE for **\$66,560.00**. The grant performance period is **October 1, 2012 through September 30, 2013**. This grant program is part of the U.S. Department of Homeland Security Grant Program and specifically is awarded under CFDA #97.067 (Catalog of Federal Domestic Assistance).

To initiate the award process, the following action items must be completed, signed and returned to AZDOHS:

1. Go to www.azdohs.gov under Grants and download two original Subgrantee Agreements.
2. Project Administration Page (enclosed).
3. Environmental and Historic Preservation (EHP) required documentation (if applicable, see attached EHP Designation Letter).

For more information on NIMSCAST, contact Mariano Gonzalez at mariano.gonzalez@azdema.gov, or (602) 464-6327. No hard copy required.

Hard copies of the subgrantee agreement will **not** be mailed to you. These items must be completed and on file at AZDOHS in order for your agency to be eligible for reimbursement. **If all documentation listed in numbers 1, 2, and 3 above is not signed and received by AZDOHS on or before January 31, 2013 this award is rescinded and the funds will be reallocated.**

Additional grant requirements:

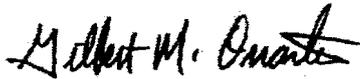

- Quarterly programmatic reports must be submitted on the most recent form/template, which was updated as of 10/1/2012. Previous versions of the quarterly report form/template will not be accepted.
- Subgrantees are required to submit a copy of their annual A133 Audit to AZDOHS each year. Subgrantees will not receive any positive action by AZDOHS, to include payment of reimbursements, until the A133 Audit has been received and, if applicable, an approved action plan for compliance.
- Reimbursements are limited to approved quantities and funding thresholds.
- All radio equipment purchased with Homeland Security funds must be P25 capable and programmed in accordance with the Arizona's State Interoperable Priority Programming Guide Channels, which include standard names for national channels as identified in the National Interoperability Field Operations Guide (NIFOG).
- If your project requires an Environmental and Historic Preservation (EHP) review, this must be completed, submitted and **approved** by FEMA/AZDOHS prior to any expenditure of funds.
- All projects that support training initiatives including FEMA approved/state sponsored training must be in compliance with grant guidance, the subgrantee agreement, and approved through the ADEM/AZDOHS training request process prior to execution of training.

- All projects that support exercises must be:
 - In compliance with grant guidance and the subgrantee agreement.

Equipment - Budget Narrative

Budget Description: List each item from your budget worksheet pages in the same order in which they are listed on the proceeding page. For Equipment, each Allowable Equipment Category (PPE, Interoperable Communications, Detection, etc.) must be listed. Under the federal guidelines "Equipment" has been defined as any single item that has a value of more than 5,000 and a life expectancy greater than a year. However, for this budget narrative please be sure to include any and all items that can be found on the AEL. Please be sure to provide a brief description of each item and how each item will be utilized. Equipment cost estimates must be listed. For each item of equipment, list the Authorized Equipment List (AEL) Item Number. The most current AEL can be found on line at the Responder Knowledge Base at the following website: www.rkb.us. If "Other Authorized Equipment" was annotated, specify the equipment here. All equipment associated with this grant must be listed on this page only. If you have any questions or concerns regarding the AEL, please feel free to contact Michael Stidham at mstidham@azdohs.gov.

Brief Description and Utilization:	The paratech stabilization/shore kit will enhance the RRTs ability to do over the road, structural, and trench stabilization and shoring. This will reduce the amount of equipment carried on the RRT and standardize equipment across RRTs. The HazMat meter maintenance, calibration and replacement will maintain, calibrate and replace worn out equipment.

This project is ongoing. 2004 UASI \$1,128,840; 2004 SHSGP \$259,032 (Fire and Police RRTs combined); 2005 SHSGP \$25,000; 2005 SHSGP \$105,000 This is an ongoing project. 2005 UASI \$68,000; 2006 UASI \$5,000; 2007 UASI \$5,000; 2008 UASI \$4,000; 2009 UASI \$4,000; 2010 UASI \$4,000, 2011 UASI -\$3,800.

9. Can partial funding be accepted for this project? If so, at what specific dollar amount(s), items, and quantities? Be sure to list the order of priority.

Accepting partial funding will reduce the effectiveness of the Chandler Police TLO program. The requested equipment cannot be cut because the TLO sat phone and datacard charges are essential for operation of this program. The need for the Android is high as it assists with the communication needs of the TLO. The training budget will send one Chandler Police TLO to the specified conference. If only partial funding is available, eliminate the training conference as the need for communication is higher.

10. Please list the multiple jurisdictions and/or disciplines served by this project. Include POC information for each partnering agency.

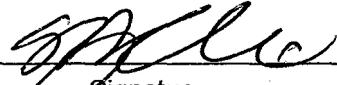

As part of the Phoenix UASI, Chandler TLOs will respond to other jurisdictions with TLO programs if requested. The POC for Phoenix UASI TLO is Capt. Rick Salyers, Phoenix Fire Dept., Div. of Homeland Security, (602) 725.4974, rsalyers@azdps.gov.

APPROVAL PROCESS

The signatures below verify the submission/approval process. All parties signify that all aspects of this project are allowable, reasonable and justifiable in accordance with published federal grant guidelines.
