Dear Kevin,

On behalf of the property owner and our client, Douglas Allred Company, we are writing this letter to request a withdrawal from the Public Hearing process for the purpose of a future readvertisement.

Since the City has hired a consultant to advise them on the Price Road plan and we've decided to await the results of that study before moving forward with the General Plan Amendment and Rezoning/PDP applications. Our client has decided to suspend our efforts temporarily on the Allred Boardwalk General Plan Amendment and Rezoning/PDP applications for the property located at the SWC and SEC of Price Road and Willis Road (Case Nos. GPA12-002 and DVR12-0009).

As per our phone conversation you explained that our General Plan Amendment and Rezoning/PDP applications remain active and this withdrawal is only to allow you to readvertise our hearings at a later date when we are ready to move forward.

Please let me know if you require additional information.

Ric
