RECOMMENDATION: Staff recommends introduction and tentative approval of Ordinance No. 4424 approving a contract and grant of easement, at no cost, to the United States of America for the relocation of underground irrigation facilities required for the Alma School Road and Ray Road Intersection Improvement Project ST-0704.

As part of the project it is necessary to grant the United States of America (“USA”) a new easement within City right-of-way for the relocation of irrigation facilities owned by the USA. In exchange, the USA will extinguish its existing easements on parcels they no longer require at this intersection.
