**7. HISTORICAL BACKGROUND/DISCUSSION:** The Police Department submitted vehicles to be evaluated for funding in FY 12/13. The City's Fleet Advisory Committee reviews mileage, years of service, reliability, repair history and forecasted ability to meet service requirements. The Fleet Advisory Committee reviewed the vehicles submitted by the Police Department and the committee recommends the replacement of five (5) police motorcycles.

**8. EVALUATION PROCESS:** Historically the City has used the State of Arizona contract to purchase vehicles. At the direction of City Council, staff has issued bids for recent vehicle purchases.
