COUNCIL AGENDA**

1. Agenda Item Number:

22

2. Council Meeting Date:

April 25, 2013

TO: MAYOR & COUNCIL

3. Date Prepared: April 4, 2013

THROUGH: CITY MANAGER

4. Requesting Department: Management Svs

5. SUBJECT: Award agreement WH3-890-3218 for the purchase of Water Works Supplies to HD Supply Waterworks in an amount not to exceed \$251,339.

6. RECOMMENDATION: Recommend award of agreement WH3-890-3218 for the purchase of Water Works Supplies to HD Supply Waterworks in an amount not to exceed \$251,339.

7. HISTORICAL BACKGROUND/DISCUSSION: The requested award is for the supply of a variety of water works products that are stocked in the City's Central Supply and used primarily by the Water Distribution Division. In addition to items stocked in Central Supply, Water Distribution will purchase some of the requested items direct from the recommended supplier. Water Distribution anticipates replacing aging components throughout the year in addition to regular maintenance and repairs. Some of the products available under the requested contract include hydrants, valves, copper and brass fittings, as well as mechanical joints, fittings, and pipe.

8. EVALUATION PROCESS: On February 28, 2013, the City issued bid WH3-890-3218 for the purchase of Water Works Supplies. The bid was advertised, all registered vendors were notified, and additional copies were sent to known suppliers of the requested items. A pre proposal conference was held March 6, 2013. Bids were opened on March 14, 2013. The City received four (4) bids and an alternate bid from one of the four. The bid included over 400 City stocked items in fourteen sections for evaluation plus a discount percentage off all other items not listed by the vendors. The recommended award is based on the evaluation of each low, responsive, responsible price by section. The alternate bid submitted by HD Supply Waterworks gave additional discounts by section if they were awarded in aggregate. The attached summary bid tabulation shows the alternate bid was low by 2.3%/\$5,342.28 vs. the low bid by section without the alternate discounts by section. The recommended agreement will have a one-year term with provisions to extend for four additional one-year periods.

9. FINANCIAL IMPLICATIONS: Funds for purchase of Water Works Supplies will be from Central Supply Inventory account 101.0000.1516 and charged back to various Municipal Utility divisions' accounts.

10. PROPOSED MOTION: Move to award agreement WH3-890-3218 for the purchase of Water Works Supplies to HD Supply Waterworks in an amount not to exceed \$251,339.

HD=HD Supply Waterworks; F=Ferguson Waterworks; AZ=Arizona Waterworks; DK =Dana Kepner

HD Supply Waterworks bid an alternate: If awarded all sections, each section would get an additional 1-20% off

Bidders were required to bid all items in each section and City had option of awarding by low section or in aggregate.

*Section 7 was not awarded due to there only being one bidder for the entire section and the pricing for that bidder and another who bid a few items was deemed not reasonable. The section requirements will be filled via a separate quotation process

Note on Section 10, alternate manufacturers to listed brand were submitted by 3 bidders (HD bid per spec and w/ an alternate) and 2 lowest were deemed as not meeting spec (HD and Dana Kepner)

**Section 14 not awarded as it duplicated Section 8

*** 1 item was no bid by low vendor.....determined to be a minor informality since it is a 'less than \$2 item' and would not have made a difference in the section's low bid

Note: 8.8% tax was added making council memo amount \$251,338.99. Some items are tax exempt by law.
