2. Council Meeting Date:

May 23, 2013

TO: MAYOR & COUNCIL

3. Date Prepared: May 6, 2013

4. Requesting Department: Transportation & Development

5. SUBJECT: Purchase of a LeeBoy 8500 asphalt paver from Arnold Machinery Company in an amount of \$117,934.70

6. RECOMMENDATION: Staff recommends City Council award Agreement No. ST3-755-3226 to Arnold Machinery Company for the purchase of a LeeBoy 8500 asphalt paver in an amount of \$117,934.70.

7. BACKGROUND/DISCUSSION: The new paving machine will replace the 1992 LeeBoy 1000 model paver currently used by the Streets Division. The LeeBoy 8500 paver will have improved capabilities to perform at an increased level with a wider range of paving widths from four (4) feet to fifteen (15) feet. These capabilities will allow crews to adjust from smaller, utility patch-type paving to the larger, full-lane style repairs. The new paver has continuous asphalt material feed capabilities and improved material handling capacities that will allow crews to maintain higher production goals with minimal interruptions. Improvements in machine simplicity, parts availability, and systems accessibility will permit ease of maintenance, quicker repairs, and lower downtime costs. The current 21-year-old paver is limited by parts availability, continuous upkeep, non-functioning crown-paving features, and eight (8) to twelve (12) foot paving widths. The LeeBoy dealer will provide, along with the new paver, unlimited local training for Fleet Services mechanics and Streets Division asphalt crews.

8. EVALUATION PROCESS: On March 7, 2013, staff issued a Request For Proposal (RFP) for the purchase of an asphalt paver. The RFP was advertised and all registered vendors were notified. Staff received responses from Arnold Machinery Company and Balar Equipment Corporation.

A committee evaluated responses based on the evaluation criteria set forth in the RFP which included cost, equipment offered, ability to provide local service, warranty work, and experience. Based on the criteria set in the RFP, the evaluation committee is recommending award to Arnold Machinery Company as the single company to meet the required specifications and needs.
