

**PURCHASING ITEM
FOR
COUNCIL AGENDA**

MEMO NO. ST13-030

1. Agenda Item Number:

26

2. Council Meeting Date:
June 27, 2013

TO: MAYOR & COUNCIL

3. Date Prepared: May 21, 2013

THROUGH: CITY MANAGER

4. Requesting Department: Transportation &
Development

5. SUBJECT: Purchase of asphalt rubber crack sealant material from CrafcO, Inc., in an amount not to exceed \$200,000.

6. RECOMMENDATION: Staff recommends City Council approve the utilization of Arizona State Department of Transportation (ADOT) Contract No. ADOT12-024885 for the purchase of asphalt rubber crack sealant material from CrafcO, Inc., in an amount not to exceed \$200,000.

7. BACKGROUND/DISCUSSION: The Streets Division is in need of purchasing approximately 446,600 pounds of asphalt rubber crack sealant material for the City's upcoming crack sealing and maintenance projects. The Poly Flex III material manufactured by CrafcO, Inc., a Chandler-based company, is an approved material for crack sealing work on City streets and has been used for more than 20 years. Poly Flex III crack seal material is specially formulated to withstand the high temperatures of the Arizona heat. The product does not track on the streets and does not pick up or get carried into driveways, therefore reducing the amount of complaints the City receives when this work is performed. Poly Flex III crack seal material is a very stable and durable product that is widely used in Arizona because of its flexibility and resiliency. The City has been using a cooperative contract available to us through ADOT, which was awarded to CrafcO, Inc.

Based on our history of utilizing this product, and the above noted benefits, the Streets Division recommends continued use of this material.

8. EVALUATION PROCESS: In May, 2012, ADOT awarded a cooperative contract to CrafcO, Inc., for the purchase of asphalt rubber crack sealant materials. One response was received from CrafcO, Inc., our current provider. The delivered price for this contract period was \$0.4478 per pound. Based upon the size of ADOT's contract, we have elected to use their cooperative contract pricing of \$0.4478 per pound. The Streets Division used \$200,000 of crack seal material last year and will use \$200,000 of material again this year.

The ADOT contract pricing is good until June 5, 2014, and there was no price increase when ADOT extended the contract.

9. FINANCIAL IMPLICATIONS:

Cost: \$200,000

Savings: N/A

Long Term Savings: N/A

Acct No.:

101.3300.6513.0000

(FY13/14 funds)

Fund:

General Fund

Program Name:

Street Maintenance

CIP Funded:

No

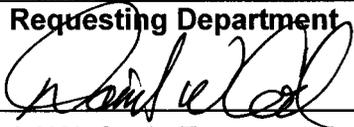

Funds:

\$200,000

10. PROPOSED MOTION: Move City Council approve the utilization of ADOT Contract No. ADOT12-024885 for the purchase of asphalt rubber crack sealant material from CrafcO, Inc., in an amount not to exceed \$200,000.

APPROVALS

11. Requesting Department

Daniel W. Cook, Transportation Manager

12. Department Head

R.J. Zeder, Transportation & Development Director

13. Procurement Officer

Raquel McMahon, CPPB

14. City Manager

Rich Dlugas, City Manager
