

PURCHASING ITEM FOR COUNCIL AGENDA

1. Agenda Item Number:

6

2. Council Meeting Date:

July 11, 2013

TO: MAYOR & COUNCIL

3. Date Prepared: June 17, 2013

THROUGH: CITY MANAGER

4. Requesting Department: Management Svs

5. SUBJECT: Amendment No. 2 of Agreement WH1-914-3005 with Wesco Distribution dba Brown Wholesale Electric for the purchase of Electrical Supplies for a one year extension in an amount not to exceed \$175,000.

6. RECOMMENDATION: Extend Agreement WH1-914-3005 for the purchase of Electrical Supplies with Wesco Distribution dba Brown Wholesale Electric in an amount not to exceed \$175,000.

7. HISTORICAL BACKGROUND/DISCUSSION: The agreement extension is for the continued supply of a variety of electrical supplies that are stocked in the City's Central Supply and used primarily by MUD and the Parks & Facilities, Housing & Redevelopment and Traffic Engineering Divisions. In addition to items stocked in Central Supply, these divisions will purchase some of the requested items direct from the recommended suppliers. Some of the products available under the requested contract include connectors, fuses, gaskets, conduits, wires, as well as ballasts, tape and cable ties. The contractor has requested an overall price increase of 3%. The line items that are increasing in price equal the same discount percentage off as originally bid. Pricing remains the same on 78% of the items.

8. EVALUATION PROCESS: On July 28, 2011, Council approved Agreement WH1-914-3005 for the purchase of Electrical Supplies in an amount not to exceed \$175,000. The agreements were awarded for one year with the option to extend four (4) additional one-year periods. Council approved Amendment One on June, 17, 2012. This is the second option to extend. Staff has been very satisfied with the quality of products and services received from the contractor during the current contract period. Because of specific manufacturer requirement for various supplies staff does not anticipate achieving lower pricing by re-bidding. The discount's range remains 10% - 80%. The term of this agreement will be August 1, 2013 through July 31, 2014.

9. FINANCIAL IMPLICATIONS: Funds for the purchase of electrical supplies will be from the Central Supply Inventory account 101.0000.0000.1516 and charged back to individual cost centers as supplies are issued.

10. PROPOSED MOTION: Move to approve Amendment No. 2 of Agreement WH1-914-3005 with Wesco Distribution dba Brown Wholesale Electric for the purchase of Electrical Supplies in an amount not to exceed \$175,000, with options to renew for two (2) additional one year periods.
