COUNCIL AGENDA**

1. Agenda Item Number:
20

2. Council Meeting Date:
November 7, 2013

TO: MAYOR & COUNCIL

3. Date Prepared: October 15, 2013

THROUGH: CITY MANAGER

4. Requesting Department: Fire

5. SUBJECT: Agreement #FD3-340-3133 Fire Protective Clothing & Uniforms

6. RECOMMENDATION: Recommend approval of Amendment #1 to extend Agreement #FD3-340-3133 with Municipal Emergency Services, Inc. (MES), for the purchase of fire protective clothing and uniforms, in an amount not to exceed \$272,735.

7. HISTORICAL BACKGROUND/DISCUSSION: The Fire Department selects a vendor to provide Department approved uniforms to the members of the Department. The members use an annual uniform allowance to purchase their individual uniforms (\$675 per year). As uniforms are purchased throughout the year, amounts are deducted from each member's account. The account balances are tracked by the vendor and billing invoices are sent to Fire Administration monthly. This helps to insure that Department members present the best appearance to the public and that they are provided with uniform items that meet national standards for safety. Also, firefighters are provided with protective clothing that includes turnout coats, turnout pants, firefighting boots and a firefighting helmet. The Department has an inspection program in which turnouts are inspected once a year and it is determined if the turnouts need to be repaired and/or replaced. This inspection insures firefighting protective clothing is safe and meets compliance with the National Fire Protection Associations (NFPA) guidelines. In FY13/14 the Department has \$161,975 budgeted for uniforms and \$110,760 budgeted for protective clothing.

8. EVALUATION PROCESS: In September 2012, Council awarded Agreement #FD3-340-3133 for the purchase of fire protective clothing and uniforms to MES. The agreement allowed for four one-year renewals. MES has agreed to extend the contract for the first year with a 5% price increase due to some changes in manufacturing processes and increased cost of supplier materials. The contract states that an annual increase must be reasonable and justified and MES has proven to staff the increase complies with this language.

9. FINANCIAL IMPLICATIONS: \$272,735 is available in the Fire Department's Operating FY13/14 budget, \$161,975 from account 101.2210.5313 and \$110,760 from 101.2210.5343.

10. PROPOSED MOTION: Move to approve Amendment #1 to extend Agreement #FD3-340-3133 with Municipal Emergency Services, Inc. (MES), for the purchase of fire protective clothing and uniforms, in an amount not to exceed \$272,735.
