MEMORANDUM Transportation & Development – CC Memo No. 13-146

DATE: DECEMBER 12, 2013

TO: MAYOR AND COUNCIL

THRU: RICH DLUGAS, CITY MANAGER *RD*
 MARSHA REED, ASSISTANT CITY MANAGER *MR*
 R.J. ZEDER, TRANSPORTATION & DEVELOPMENT DIRECTOR *RJ*
 JEFF KURTZ, PLANNING ADMINISTRATOR *JK*
 KEVIN MAYO, PLANNING MANAGER *KM*

FROM: SUSAN FIALA, CITY PLANNER *SF*

SUBJECT: LUP13-0014 GOGI

Request: Liquor Use Permit approval to sell liquor as permitted under a Series 12 Restaurant License for on-premise consumption in a new restaurant, within a new outdoor patio, and have live acoustic music indoors only

Location: 2095 North Dobson Road, Suite 8, northeast corner of Dobson and Warner roads

Applicant: Eujong Chung

RECOMMENDATION

Planning Commission and Planning Staff, finding consistency with the General Plan and Planned Area Development (PAD) zoning, recommend approval for one (1) year, subject to conditions.

BACKGROUND

The new restaurant is locating at 2095 North Dobson Road, Suite 8, northeast corner of Dobson and Warner Roads. The restaurant will be in the north suite of the west building in the Dobson Park Plaza. Lee Lee Oriental Supermarket, CVS Pharmacy, McDonald's, several restaurants, and other tenants are established businesses within the commercial center. The nearest residential developments are the Pulte Villas Chandler subdivision to the north and Orange Tree subdivision to the northwest, across Dobson Road.

The request is for Liquor Use Permit approval to sell liquor as permitted under a Series 12 Restaurant License for on-premise consumption in a new restaurant, within a new outdoor patio, and have live acoustic music indoors only.

The restaurant will be open seven days a week from 11 a.m. until 9 p.m. The restaurant is approximately 2,600 square feet in area with an approximate 250 square foot outdoor patio. The outdoor patio will be surrounded by a three foot high metal railing and accessed through the restaurant. The restaurant will employ around seven full and/or part time employees. Restaurant seating will provide approximately 50 to 60 seats indoors and 8 to 12 seats in the outdoor patio.

The request includes providing live acoustic music indoors only. The anticipated hours of live acoustic music would occur from 7 p.m. until 9 p.m. on Fridays, Saturdays, and Sundays. A small movable stage would be used for music performances. Three televisions for viewing and a house speaker system for background music will be located indoors. The speakers will not be used to amplify live music. Planning Staff has added conditions to address any potential noise concerns due to the proximity to the single-family subdivision. Planning Staff recommends a one-year time limit to allow evaluation of the compatibility of the proposed live acoustic music with the surrounding residential and business developments.

A Series 12 Restaurant License allows the on-site sale of beer, wine, and spirits for on-premise consumption. Under a typical Series 12 license the establishment must derive at least 40 percent of its gross revenue from the sale of food and non-alcoholic beverages. See attached menu.

DISCUSSION

Planning Staff supports the request with conditions, finding that the restaurant with occasional live acoustic music, occurring indoors only, can be appropriate at this location if it is controlled so as to not unreasonably disturb the surrounding businesses and residents. The one year approval time condition allows evaluation of the compatibility of the live music.

PUBLIC/NEIGHBORHOOD NOTIFICATION

- This request was noticed in accordance with the requirements of the Chandler Zoning Code.
- A neighborhood meeting was held on October 1, 2013. No one other than the applicant attended.
- The Police Department has been informed of the application and has no issues or concerns.
- Planning Staff received one phone call inquiring about the location of the business.

PLANNING COMMISSION VOTE REPORT

Motion to Approve.

In Favor: 6 Opposed: 0 Absent: 1 (Ryan)

RECOMMENDED ACTION

Planning Commission and Planning Staff, upon finding consistency with the General Plan and Planned Area Development (PAD) zoning, recommend approval of LUP13-0014 GOGI for one year, subject to the following conditions:

1. The Use Permit granted is for a Series 12 license only, and any change of license shall require reapplication and new Use Permit approval.
2. The Use Permit is non-transferable to any other location.
3. Expansion or modification beyond the approved exhibits (Site Plan, Floor Plan, and Narrative) shall void the Use Permit and require new Use Permit application and approval.
4. The Use Permit shall remain in effect for one (1) year from the effective date of City Council approval. Continuation of the Use Permit beyond the expiration date shall require re-application to and approval by the City of Chandler.
5. Music shall be controlled so as to not unreasonably disturb area residents and businesses and shall not exceed the ambient noise level as measured at the commercial property line.
6. Live music and speakers shall be prohibited within the outdoor patio.
7. No noise shall be emitted from the live music occurring indoors that exceeds the general level of noise emitted by uses outside the premises of the business and further will not disturb adjacent businesses and residential areas.
8. The site shall be maintained in a clean and orderly manner.
9. The patio shall be maintained in a clean and orderly manner.

PROPOSED MOTION

Move to approve Liquor Use Permit, LUP13-0014 GOGI for one year, subject to the conditions recommended by Planning Commission and Planning Staff.

Project Narrative

The business, Gogi, proposing the liquor license (series 12) will be a Japanese/Korean Cuisine restaurant located at the address **2095 N. Dobson R, Suite 8, Chandler, AZ 85224**. The floor square footage is 2,600. The type of liquor Gogi plans to serve/store/sell is various types of wines, beers, and sakes. Hours of operation are to be from Monday-Sunday from 11AM through 9PM employing about seven full time and part time waiter/waitresses. As far as entertainment, there will be music played through a stereo system throughout the restaurant and television for viewing. Live music, acoustic only, will be indoors and occur on Fridays-Sundays from approximately 7PM to 9PM towards the left side of the entrance. It will be performed on a small movable stage that is about 25 square footage. The number of seats for the indoors will be approximately 50-60 seats.

For outside seating arrangements, there will be a small patio, about 250 square footage, seating up to 8-12 persons and will be a smoke-free zone. There will not be any kind of entertainment including music and television outside, in the patio. To access the patio area, customers will have to enter the building itself where they can find a second door leading to the outside patio. There will not be an entrance or an exit outdoor.

Gogi will be a casual and calming restaurant, providing comfort, food and drinks for anyone. Parking will be simple with large shared lot where customers will be able to park their vehicles to their choosing. Upon entering, customers will be able to view kitchen from the outside and also be able to enjoy watching their chefs put their meals together as they dine. If you have any further questions or concerns, please feel free to contact Euijong Chung at 480-313-7153.
