RECOMMENDATION

The request is for Liquor Use Permit approval to sell liquor as permitted under a Series 12 Restaurant License for on-premise consumption both indoors and within an outdoor patio at an existing restaurant. Planning Commission and Planning Staff, upon finding consistency with the General Plan and Planned Area Development zoning, recommend approval with conditions.

BACKGROUND

The subject site is located west of the southwest corner of Ray Road and Coronado Street, within the Raintree Ranch commercial center. The subject suite is located at the immediate intersection corner of Ray and Coronado Street. East of Coronado Street is the Raintree Ranch East single-family residential subdivision. North of Ray Road is an assisted living facility. Commercial suites are west and south of the subject suite.

The restaurant specializes in customizable pizzas and salads. The subject suite is 1,850 square feet and seats roughly 65 patrons. An outdoor patio is proposed on the north side of the restaurant within an existing outdoor plaza. The outdoor plaza is roughly 6,500 square feet. Seating is currently provided in the plaza area; however it is requested that the patio area be enclosed in order that patrons have the option to purchase alcohol with their meal. The proposed patio is roughly 8'x 28' (224 square feet) and will allow for an additional 20 patrons. Paradise Bakery is adjacent to the outdoor plaza, and is northwest of the subject suite, and also provides outdoor seating; however in a loose seating arrangement.

The restaurant operates Sunday through Thursday from 11 a.m. to 9 p.m. and Friday and Saturday from 11 a.m. to 10 p.m. Outdoor entertainment is not proposed. Piped music will be played both indoors and on the outdoor patio. Planning Staff has added a condition ensuring that the music does not unreasonably disturb area residents.
