CS14-082**

**1. Agenda Item Number:**

**13**

**2. Council Meeting Date:**  
March 27, 2014

**TO: MAYOR & COUNCIL**

**THROUGH: CITY MANAGER**

**3. Date Prepared:** March 4, 2014

**4. Requesting Department:**  
Community Services

**5. SUBJECT:** Award agreement for Temporary Staffing Services

**6. RECOMMENDATION:** Recommend award of agreement CS4-964-3332 for Temporary Staffing Services to Devau Human Resources for a one-year period in an amount not to exceed \$1,500,000.00 with the option of four one-year extensions.

**7. HISTORICAL BACKGROUND/DISCUSSION:** Contract employees are utilized by the Community Services Department, to fill temporary positions such as class instructors, coaches, sign language interpreters, park maintenance workers, swim coaches, library aides, C.O.R.E. teachers and production assistants. Other City departments that require specialty positions not available through temporary agencies under state contract also utilize this contract. The contract was originally established when the IRS determined in December 1992 that a number of contract employees used by City departments should, in fact, be appointed temporary employees. It was determined that it would be in the best interest of the City to contract with a temporary employment agency for the provision of those employee services.

**8. EVALUATION PROCESS:** On December 16, 2013, staff issued a Request for Proposals (RFP) for Temporary Staffing Services and ten responses were received. An evaluation committee consisting of Staff from Purchasing, Community Services, and Neighborhood Services/Housing was formed to evaluate the proposals received using the evaluation criteria listed in the RFP. The evaluation committee recommends award to Devau Human Resources due to their experience and qualifications, ability to meet scope of work, responsiveness, and cost considerations.

The City is charged a cost per hour per employee plus a markup for each employee used under the contract. The percentage is added to the cost per hour for the total number of hours the employee works. The markup percentage will vary depending on skill classification, with the client referral markup being 21.9% and the other skill classifications markup being 26.9%. The markup rate covers liabilities, check distribution, application process, and federal tax reporting for the temporary employees. The City determines if the hourly wage is reasonable prior to any employee being used under the contract. Attached is a report of all departments currently using Devau for temporary contract employees and their estimated annual usage for the next contract term. Staff provided estimates for the next contract term in the amount of \$1,406,192. An amount not to exceed \$1,500,000 is being requested to cover any additional requirements other than those listed during the term of the contract April 1, 2014, through March 31, 2015.

**9. FINANCIAL IMPLICATIONS:** Funds for temporary contract employees will be from various departments' professional contract services fund accounts (5219), except for Housing which will utilize a portion from HUD funds.

General Fund/Professional Services Account 5219:	\$1,340,000.00
HUD Funds:	<u>\$ 160,000.00</u>
	\$1,500,000.00

The cancellation

shall be effective when written notice from CITY is received by all other parties, unless the notice specifies a later time (A.R.S. §38-511).

- 14.3. No Conflict:** CONTRACTOR stipulates that its officers and employees do not now have a conflict of interest and it further agrees for itself, its officers and its employees that it will not contract for or accept employment for the performance of any work or services with any individual business, corporation or government unit that would create a conflict of interest in the performance of its obligations pursuant to this project.

Changes to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the City in writing or made unilaterally by the CONTRACTOR are violations of the Contract. - 15.6. Independent CONTRACTOR.** The CONTRACTOR under this Contract is an independent CONTRACTOR. Neither party to this Contract shall be deemed to be the employee or agent of the other party to the Contract.
- 15.7. No Parole Evidence.** This Contract is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade shall supplement or explain any terms used in this document and no other understanding either oral or in writing shall be binding.
