MEMO NO. TE14-126

1. Agenda Item Number:

27

2. Council Meeting Date:

June 26, 2014

TO: MAYOR & COUNCIL

3. Date Prepared: June 9, 2014

THROUGH: CITY MANAGER

4. Requesting Department:
Transportation & Development

5. SUBJECT: Purchase of street name signs from Trafficade Signs & Sales

6. RECOMMENDATION: Recommend City Council approve utilization of State Contract No. ADOT 14-061415 with Trafficade Signs & Sales to purchase 2,174 street name signs, in a total amount not to exceed \$105,526.11.

7. BACKGROUND/DISCUSSION: The City of Chandler is revising the standard for street name signs to be in compliance with federal standards. The new street name signs are required be two inches taller than the current standard and will use a Clearview font with upper and lower case letters for improved legibility. Drawings showing the existing street name sign and the proposed new look is attached.

Traffic Engineering applied for and received a 100% federally funded Highway Safety Improvement Program (HSIP) grant in 2012 for the manufacture of 2,174 new signs. Following the award of the grant, these signs will be manufactured by Trafficade Work Zone Services. They will be installed in south Chandler by City Staff and replace all existing street name signs, many of which are faded and in need of replacement. The street name signs in the north half of the City (from Pecos Road north) were replaced several years ago by City Staff as part of an on-going ten-year sign replacement program and will not need replacement for several more years. All future street name sign installations and repairs will use the new federal standards.

8. EVALUATION PROCESS: The State of Arizona competitively bid and awarded a statewide contract to Trafficade Signs & Sales for the manufacture of street name signs for multiple agencies. By utilizing this contract, the City benefits from the combined quantities of a statewide contract rather than bidding our own smaller quantities.

9. FINANCIAL IMPLICATIONS:
