SUBJECT: RESOLUTION NO. 4808 REQUESTING CONTINUATION OF EXEMPTION FROM POSTING OF SECURITY BOND FOR CITY OF CHANLDER SELF-INSURED WORKERS COMPENSATION PROGRAM.

RECOMMENDATION: Staff recommends that Council adopt Resolution No. 4808 to request continuation of exemption from the Industrial Commission of Arizona (ICA) requirement of posting a security bond for City of Chandler Self-insured Workers' Compensation Program.

BACKGROUND/DISCUSSION: The City of Chandler was approved by the ICA to self-insure workers' compensation benefits on January 1, 2003. A requirement of self-insured programs is to post a security bond with the ICA in order to ensure performance in the event that a self-insured program becomes insolvent.

On April 4, 2005, the ICA implemented new rules governing management of the workers' compensation self-insurance program. The new rule, **R20-5-1114**, includes an "Exemption from Requirement to Post Security" noted below.

"A public entity applicant or public entity self-insurer is exempt from the requirement under this Article to post or provide security if the public entity:

1. Has a fully funded risk management fund sufficient to cover actuarial liabilities for workers' compensation as determined by the self-insurer in accordance with Government Accounting Standards Board Statement #10; and
2. Provided funding to the risk management fund each year sufficient to cover actuarial liabilities for workers' compensation as determined by the self-insurer in accordance with Government Accounting Standards Board Statement #10."

FINANCIAL IMPLICATIONS: Since the inception of our self-insured program in January, 2003, we have expended a total of \$16,745 to purchase Security Bonds. The City's application for exemption to post security was accepted and we no longer incur expenditures for bonds.

PROPOSED MOTION: Adopt Resolution No. 4808 to request continuation of exemption from the Industrial Commission of Arizona (ICA) requirement of posting a security bond for City of Chandler Self-Insured Workers' Compensation Program.
