

**PURCHASING ITEM  
FOR  
COUNCIL AGENDA  
Memo No. CP15-120**

**1. Agenda Item Number:**  
**42**

**2. Council Meeting Date:**  
November 20, 2014

**TO: MAYOR & COUNCIL**

**THROUGH: CITY MANAGER**

**3. Date Prepared:** October 27, 2014

**4. Requesting Department:** Transportation & Development

**5. SUBJECT:** Construction contract to Salt River Project (SRP) for Old Price Road and Queen Creek Road Intersection Improvements

**6. RECOMMENDATION:** Staff recommends City Council award a construction contract to Salt River Project (SRP) for Old Price Road and Queen Creek Road Intersection Improvements, Project No. ST1305, in an amount not to exceed \$232,382.96.

**7. BACKGROUND/DISCUSSION:** To accommodate Old Price Road and Queen Creek Road Intersection Improvements, SRP will remove one (1) feeder riser, approximately 4,380 linear feet of feeder wire, thirteen (13) mole assemblies, approximately 1,909 linear feet of SRP communication cable, and various terminations and splices along the south side of Queen Creek Road, east of Old Price Road. Additionally, SRP will pull conductor and construct two (2) feeder risers, one (1) underground switch, approximately 5,346 linear feet of feeder wire, twelve (12) mole assemblies, approximately 1,909 linear feet of SRP communication cable, and various terminations and splices.

**8. EVALUATION:** The City's Contractor will be responsible for providing and installing the trench and conduit as part of the intersection improvements construction. SRP will be responsible for installing the equipment and facilities during the intersection improvements construction. A design contract for this work was executed with SRP in September 2014.

**9. FINANCIAL IMPLICATIONS:**

Cost: Relocation of Overhead Utilities, SRP WO#T2024774 \$232,382.96

**Fund Source:**

<u>Acct. No.:</u>	<u>Fund Name:</u>	<u>Program Name:</u>	<u>CIP Funded:</u>	<u>Amount:</u>
411.3310.6517.0.6ST529	GO Bonds	Old Price/Queen Creek Intersection	Yes	\$232,382.96

**10. PROPOSED MOTION:** Move City Council award a construction contract to Salt River Project (SRP) for Old Price Road and Queen Creek Road Intersection Improvements, Project No. ST1305, in an amount not to exceed \$232,382.96.

**ATTACHMENTS:** Location Map, SRP Contract

**APPROVALS**

**11. Requesting Department**

Daniel W. Cook, Interim City Engineer / Transportation Manager

**13. Department Head**

R.J. Zeder, Transportation & Development Director

**12. Transportation & Development**

Bob Fortier, Capital Projects Manager

**14. City Manager**

Chandler, AZ 85225

The Salt River Project Agricultural Improvement and Power District, an agricultural improvement district organized and existing under the laws of the State of Arizona (SRP), and City of Chandler, a municipal corporation organized and existing under the laws of the State of Arizona, (City) enter into this contract (Contract) for the construction of electrical facilities for the following City project (Project):

Job Name:	CUS UE RELO OLD PRICE RD & QUEEN CREEK		
SRP Job #:		SRP Work Order #:	T2024774
Customer Job #:	ST1305		
Location:	Old Price Road & Queen Creek Road		

City acknowledges that it previously entered into a design services contract with SRP for the Project. City now desires SRP to proceed with construction of the Project in accordance with the design drawings delivered by SRP pursuant to the design services contract.

This Contract includes the attached Electrical Design and Construction Terms and Conditions, and describes the general obligations of SRP and the City. Any changes, amendments or modifications to this Contract shall be in writing and shall be signed by both parties.

In consideration of the work to be performed by SRP, City shall pay SRP the following non-refundable fees:

Description	Amount	Survey	Trench, Conduit
CIAC fee:	\$232,382.96		
<b>Scope:</b>	SRP to Construct The Following Items: (2) Feeder Risers, (1) UG Switch, Approximately 5,346 LF of Feeder Wire, (12) Mole Assemblies, Approximately 1909 LF of SRP communication cable , & various terminations and splices for SRP's electrical & communication facilities. SRP to Remove the Following Items: (1) Feeder Risers, Approximately 4,380 LF of Feeder Wire, (13) Mole Assemblies, Approximately 1909 LF of SRP communication cable , & the removal of various terminations and splices for SRP's electrical & communication facilities.  Customer Responsible to provide and install all trench and conduit.		

SRP shall not be required to perform inspections or begin any construction or installation work on the Project until City (i) signs and returns this Contract, (ii) accepts the completed design drawings by signing them, (iii) pays SRP the fees set forth above, (iv) provides SRP the approved City permit(s) and (v) provides to SRP a copy of a deed or deeds evidencing ownership of all of the real property that is encompassed within or will be affected by the Project or other written documentation acceptable to SRP that establishes City's authority in connection with the Project. If City is unable to provide such documentation, and as a result SRP is required to modify its designs for the Project, City shall be responsible for paying additional costs of the redesign work. If City changes the Project, or if there is any change to the information regarding the Project provided by City and relied upon by SRP, SRP

**Construction Services Contract (Municipal Distribution)  
(Continued)**

will charge City and City shall pay for any additional costs incurred by SRP, including but not limited to redesign and engineering costs.

SRP's delivery of this Contract to City constitutes an offer to perform the construction services on the terms and conditions set forth in this Contract. City may accept this offer by signing this Contract (with no additions, deletions or modifications) and returning it to SRP. This offer shall expire if City has not signed and returned this Contract to SRP within 120 day of the date first set forth above.

City understands and agrees to the terms and conditions of this Contract. The undersigned represents and warrants that he or she has the authority to enter into this Contract on behalf of City.

## Electrical Design and Construction Terms and Conditions

1. The existing applicable SRP Rules and Regulations, as they may be amended or revised from time to time by SRP, and all terms and conditions thereof, are adopted and incorporated herein by reference as part of this Contract. The Rules and Regulations can be found at <http://www.srpnet.com> and are on file at the principal offices of SRP.
2. SRP shall construct all electric facilities up to the point(s) of delivery, including any connections to electric, in accordance with the SRP Rules and Regulations and SRP construction specifications and practices.
3. CITY shall timely provide SRP all drawings and data requested by SRP that are pertinent to the design of the CITY Project. SRP shall review such drawings and data for compatibility with SRP facilities and shall have sole discretion in determining whether the CITY facilities may be used with SRP's facilities.
4. Before beginning construction, CITY shall provide SRP executed originals of the construction services contract, all requested easements, including any easements required from third parties, for SRP to access and maintain the electric facilities installed under this Contract, using SRP's standard form(s) of easement. CITY, at all times, shall permit SRP to access and maintain any SRP electric facility on CITY property. CITY understands and agrees that SRP shall have no obligation to provide electric service to the Project unless and until CITY has provided all such easements.
5. CITY shall require that any construction work performed by CITY or its contractor or subcontractor shall be in accordance with national and local building and safety codes, the SRP Electric Service Specifications and construction drawings, and the Electric Utility Service Entrance Requirements Committee.
6. CITY shall secure all required State, County, and local permits and approvals.
7. If CITY decides to provide trenching, provision and installation of conduit, backfilling and/or surveying, ("CITY Work"), then all CITY Work shall conform to SRP's standards, and CITY shall permit SRP to inspect, at any time, any CITY Work or CITY-provided facility. If CITY decides to provide surveying, then CITY shall be responsible for setting or verification of road right-of-way monuments and/or construction staking, and CITY shall forward all results of survey to SRP for review and approval. If, at the time of inspection, there are no offset stakes to enable SRP to verify that the facilities are installed within the easements granted to SRP, SRP's Survey Department will reset the offset stakes at CITY's expense. Any inspection by SRP shall not be deemed an approval of any CITY-provided facility or a waiver by SRP of any right to enforce strict compliance with the terms and conditions of this Contract.
8. SRP shall not be responsible for, and CITY shall indemnify, defend and hold harmless SRP and members of its governing bodies, its officers, agents and employees, for, from and against any and all claims, demands, suits, costs of defense, attorneys' fees, witness fees of any type, losses, damages, expenses and liabilities ("Claims") arising out of or relating to CITY's performance of the CITY Work, including without limitation Claims arising out of the performance of CITY Work on property not owned by CITY or outside of the easements provided to SRP under Section 4 of this Contract.
9. CITY shall not install any curb, sidewalk, paving, or any conflicting foundation within the development boundaries until SRP completes the installation of the electric facilities. CITY shall release SRP from any loss, damage, liability, cost, or expense incurred by CITY arising out of (i) any delay by SRP in performing, completing, or inspecting any work or (ii) any loss or damage to any installation prohibited by this Term and Condition.
10. CITY, upon demand, shall reimburse SRP for the costs of relocation of facilities found to be installed at the wrong location or grade due to CITY-requested changes in property lines, easement grade, and/or errors in staking, trenching, or survey when such work is performed by CITY or a contractor retained by CITY.
11. This Contract shall be interpreted, governed by and construed in accordance with the substantive and procedural laws of the State of Arizona, without regard to conflicts of law principles. SRP and CITY agree that any action, suit, or proceeding arising out of or relating to this Contract shall be initiated and prosecuted in a state or federal court of competent jurisdiction located in Maricopa County, Arizona, and the parties irrevocably submit to the jurisdiction and venue of such court. To the fullest extent permitted by law, SRP and CITY hereby irrevocably waive any and all rights to a trial by jury and covenant and agree that neither will request a trial by jury, with respect to any legal proceeding arising out of or relating to this Contract.

**Electrical Design and Construction  
Terms and Conditions  
(Continued)**

12. The title to all work performed by SRP, or performed by CITY at SRP's request and accepted by SRP, shall remain with SRP at all times.
13. CITY shall meet with an SRP inspector before construction begins. The meeting may be scheduled by calling the SRP contact name and phone number specified on the Project drawings.
14. If CITY requires SRP to relocate any electrical facilities installed and paid for by the CITY pursuant to this Contract, in addition to providing SRP with a new easement for such relocated facilities, CITY shall reimburse SRP for all costs associated with moving the relocated facilities. CITY's reimbursement obligations shall also continue to apply for subsequent relocations. SRP shall be responsible for costs associated with moving any facilities installed pursuant to this Contract but not paid for by the CITY.
