

MEMORANDUM **Planning Division – CC Memo No. 15-078**

DATE: JUNE 11, 2015
TO: MAYOR AND COUNCIL
THRU: MARSHA REED, ACTING CITY MANAGER *MR*
 JEFF KURTZ, PLANNING ADMINISTRATOR *JK*
 KEVIN MAYO, PLANNING MANAGER *KM*
FROM: JODIE M. NOVAK, MEP, CPM, SENIOR CITY PLANNER *JMN*
SUBJECT: DVR15-0042 GREYWOOD PROFESSIONAL OFFICES

Request: Action on the existing Planned Area Development (PAD) zoning to extend the conditional schedule for development, remove, or determine compliance with the three year schedule for development or to cause the property to revert to the former Agricultural District (AG-1) zoning. The existing PAD zoning is for an office building.

Location: South of the southwest corner of Frye and Gilbert roads, north of Pecos Road

Applicant: Scott Fey, Greywood Professional Offices LLC

Project Info: Approximately 2 acres, a 15,000 square foot single-story office building

RECOMMENDATION

Upon finding consistency with the General Plan, Planning Commission and Planning Staff recommend approval of extending the timing condition for an additional three (3) years.

EXTENSION OF THE TIMING CONDITION

The approximate 2-acre parcel is located south of the southwest corner of Frye and Gilbert roads, north of Pecos Road. In July 2008, City Council approved rezoning this subject site from AG-1 (Agricultural) to Planned Area Development (PAD) for one, single-story 15,000 square foot office building for general, medical, and dental uses with Preliminary Development Plan (PDP). The office development is designed to allow 50% general office and 50% medical/dental office.

The PAD zoning was approved with a three year development timing condition. Time limits are calculated from the previous zoning approval's expiration date, which is calculated from the Ordinance's effective date, not the Council meeting date. The PAD zoning for this project expired September 13, 2011. A three year time extension was approved in January 2012, expiring on September 13, 2014. The requested time extension would maintain the PAD zoning for office use for an additional three years in which the zoning would expire September 13, 2017.

The City has the following options when a zoning district's timing condition expires. The City could, through administrative action, extend the timing condition for another period of time, eliminate the timing condition, or by legislative action revert the zoning to its former zoning classification. If the City should approve the timing condition extension, all other conditions in the original approval would remain in effect.

BACKGROUND

The property is undeveloped and adjacent to existing single-family residential subdivisions Country Cove and Country Cove 2 to the west and north. South of the site is vacant, undeveloped property owned by the Maricopa Community College District. Gilbert Road abuts the site's eastern side, which is the city limit line for Chandler and the Town of Gilbert.

Planning Staff supports the zoning time extension request for an additional three years, which extends the PAD zoning until September 13, 2017. Staff is of the opinion the office land use is still appropriate for this site.

PUBLIC / NEIGHBORHOOD NOTIFICATION

- This request was noticed in accordance with the requirements of the Chandler Zoning Code.
- A neighborhood meeting was held on May 4, 2015. No one attended other than the applicant.
- As of the writing of this memo, Planning Staff is not aware of any opposition or concerns with this request.

PLANNING COMMISSION VOTE REPORT

Motion to Approve.

In Favor: 5 Opposed: 0 Absent: 2 (Cunningham, Foley)

RECOMMENDED ACTION

Planning Commission and Planning Staff, upon finding consistency with the General Plan, recommend approval to extend the timing condition for three years with all of the conditions in the original approval remaining in effect.

PROPOSED MOTION

Move to approve extending the timing condition for case DVR15-0042 GREYWOOD PROFESSIONAL OFFICES for an additional three years, in which the zoning would be in effect until September 13, 2017, and with all of the conditions in the original approval remaining in effect.

NARRATIVE STATEMENT

Zoning Case No. DVR11-0024

To City of Chandler,

Greywood LLC is the property owner of the development project named Greywood Professional Offices located at 500 North Gilbert Road in Chandler, Arizona. We are requesting a zoning time extension on this property which is approximately 2 acres.

In August 2008, the City of Chandler approved rezoning this parcel from AG-1 to Planned Area Development (PAD) for general, medical, and dental offices along with Preliminary Development Plan (PDP) approval. The PDP approved a single-story 15,000 square foot office building for general, medical, and dental uses. The office development is designed to allow a maximum of 50% general office and a maximum of 50% medical/dental office. This approval was extended on January 26, 2012 by a vote of the Chandler City Council.

The ownership of the parcel Greywood LLC was prepared to move forward and secure all of the necessary approvals to build on the site; however, the company's plans were interrupted by current national economic conditions. Greywood LLC respectfully requests a zoning time extension on the approved PAD zoning for an additional three (3) years.

At this point in time there is no immediate plan to move forward on a development project; however, we are in the process of marketing the development to prospective Tenants. The company has placed a sign on the property with a pictorial of the proposed office building and we have started to receive inquiries.

We continue to believe that a development at this site of a professional office center will be a positive addition to the area and provide a service to the community.

Regards,

Scott Fey

ORDINANCE NO. 4083

AN ORDINANCE OF THE CITY OF CHANDLER, ARIZONA, AMENDING THE ZONING CODE AND MAP ATTACHED THERETO, BY REZONING A PARCEL FROM AG-1 to PAD (DVR08-0012 GREYWOOD PROFESSIONAL OFFICES) LOCATED WITHIN THE CORPORATE LIMITS OF THE CITY OF CHANDLER, ARIZONA.

WHEREAS, application for rezoning involving certain property within the corporate limits of Chandler, Arizona, has been filed in accordance with Article XXVI of the Chandler Zoning Code; and

WHEREAS, the application has been published in a local newspaper with general circulation in the City of Chandler, giving fifteen (15) days notice of time, place and date of public hearing; and

WHEREAS, a notice of such hearing was posted on the property at least seven (7) days prior to said public hearing; and

WHEREAS, a public hearing was held by the Planning and Zoning Commission as required by the Zoning Code

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Chandler, Arizona, as follows:

SECTION I. Legal Description of Property:

See Attachment 'A'.

Said parcel is hereby rezoned from AG-1 to PAD, subject to the following conditions:

1. Development shall be in substantial conformance with Exhibit A, Development Booklet, entitled "Greywood Professional Offices", kept on file in the City of Chandler Planning Services Division, in File No. DVR08-0012, except as modified by condition herein.
2. Right-of-way dedications to achieve full half-widths, including turn lanes and deceleration lanes, per the standards of the Chandler Transportation Plan.
3. Undergrounding of all overhead electric (less than 69kv), communication, and television lines and any open irrigation ditches or canals located on the site or within adjacent right-of-ways and/or easements. Any 69kv or larger electric lines that must stay overhead shall be located in accordance with the City's adopted design and engineering standards. The aboveground utility poles, boxes, cabinets, or similar appurtenances shall be located outside of the ultimate right-of-way and within a specific utility easement.
4. Future median openings shall be located and designed in compliance with City adopted design standards (Technical Design Manual # 4).

5. Completion of the construction of all required off-site street improvements including but not limited to paving, landscaping, curb, gutter and sidewalks, median improvements and street lighting to achieve conformance with City codes, standard details, and design manuals.
6. The developer shall be required to install landscaping in the arterial street median(s) adjoining this project. In the event that the landscaping already exists within such median(s), the developer shall be required to upgrade such landscaping to meet current City standards.
7. Construction shall commence above foundation walls within three (3) years of the effective date of the ordinance granting this rezoning or the City shall schedule a public hearing to take administrative action to extend, remove or determine compliance with the schedule for development or take legislative action to cause the property to revert to its former zoning classification.
8. The monument sign's sign panels shall have an integrated or decorative cover panel until a tenant name is added to the sign.
9. Sign packages, including free-standing signs as well as wall-mounted signs, shall be designed in coordination with landscape plans, planting materials, storm water retention requirements, and utility pedestals, so as not to create problems with sign visibility or prompt the removal of required landscape materials.
10. Raceway signage shall be prohibited within the development.
11. Landscaping shall be in compliance with current Commercial Design Standards.
12. The landscaping shall be maintained at a level consistent with or better than at the time of planting.
13. The site shall be maintained in a clean and orderly manner.
14. The landscaping in all open-spaces and rights-of-way shall be maintained by the adjacent property owner or property owners' association.
15. The parking space canopies shall incorporate building materials, forms, and colors to match the development.
16. The source of water that shall be used on the open space, common areas, and landscape tracts shall be reclaimed water (effluent). If reclaimed water is not available at the time of construction, and the total landscapable area is 10 acres in size or greater, these areas will be irrigated and supplied with water, other than surface water from any irrigation district, by the owner of the development through sources consistent with the laws of the State of Arizona and the rules and regulations of the Arizona Department of Water Resources. If the total landscapable area is less than 10 acres in size, the open space common areas, and landscape tracts may be irrigated and supplied with water by or through the use of potable water provided by the City of Chandler or any other source that will not otherwise interfere with, impede,

diminish, reduce, limit or otherwise adversely affect the City of Chandler's municipal water service area nor shall such provision of water cause a credit or charge to be made against the City of Chandler's gallons per capita per day (GPCD) allotment or allocation. However, when the City of Chandler has effluent of sufficient quantity and quality which meets the requirements of the Arizona Department of Environmental Quality for the purposes intended available to the property to support the open space, common areas, and landscape tracts available, Chandler effluent shall be used to irrigate these areas.

In the event the owner sells or otherwise transfers the development to another person or entity, the owner will also sell or transfer to the buyer of the development, at the buyer's option, the water rights and permits then applicable to the development. The limitation that the water for the development is to be owner-provided and the restriction provided for in the preceding sentence shall be stated on the final plat governing the development, so as to provide notice to any future owners. The Public Report, Purchase Contracts, and Final Plats shall include a disclosure statement outlining that the Greywood Professional Offices development shall use treated effluent to maintain open space, common areas, and landscape tracts.

SECTION II. Except where provided, nothing contained herein shall be construed to be an abridgment of any other ordinance of the City of Chandler.

SECTION III. The Planning & Development Department of the City of Chandler is hereby directed to enter such changes and amendments as may be necessary upon the Zoning Map of said Zoning Code in compliance with this ordinance.

INTRODUCED AND TENTATIVELY APPROVED by the City Council of the City of Chandler, Arizona, this 31st day of July 2008.
