PROJECT NARRATIVE

I. PURPOSE OF REQUEST

This Liquor Use Permit requests approval to allow for a series 10 liquor license for the anchor grocery tenant at The Plant retail center located at the SEC corner of Gilbert and Ocotillo Road (the "Development" or the "Property"). The Plant is zoned by a previously approved PAD which allows for the grocery tenant use.

II. SITE AND EXISTING ZONING

The Property is located in Section 19, Township 2 South, Range 5 East in Chandler, Arizona at the south east corner of Gilbert Road and Ocotillo Road. The Property is a portion of an already approved PAD for a commercial retail development. The Property, as depicted on the site plan, is located on the northern portion of the approved PAD. Ocotillo Road borders the Property to the north, the Roosevelt Water Conservation District canal is to the east, Gilbert Road to the west and the remaining portion of the approved PAD to the south. The entire project is a 7.7 acre parcel with the anchor grocery tenant covering 28,800 square feet and is depicted as major on the site plan.

III. BUSINESS OPERATIONS

The grocery store tenant that will be securing the series 10 license is Sprouts. The hours of operations for the business will be from 7:00 am to 10:00 pm seven days a week. The store will employ approximately 100 people. The store will sell beer and wine. Additionally, the store will hold some wine tastings for its patrons. The hours of operations and the type of liquor sold are consistent with the other locations Sprouts operates in Chandler and throughout the country. These uses are compatible with the surrounding community.

IV. CONCLUSION

This liquor use permit is keeping with the requirements of the City of Chandler and is consistent with the surrounding uses. For these reasons, the liquor use permit should be approved.
