FOR
COUNCIL AGENDA
Memo No. MUA16-060**

1. Agenda Item Number:
52
2. Council Meeting Date:
September 24, 2015

TO: MAYOR AND COUNCIL

3. Date Prepared: September 9, 2015

THROUGH: CITY MANAGER

4. Requesting Department: Municipal Utilities

5. SUBJECT: Purchase of Flygt Pumps, Flygt Replacement Parts, and Flygt Pump Service

6. RECOMMENDATION: Staff recommends City Council approve the sole source purchase of Flygt pumps, Flygt replacement parts, and Flygt pump service from James, Cooke & Hobson Inc., in an amount not to exceed \$510,000.

7. BACKGROUND/DISCUSSION: Municipal Utilities' water and wastewater divisions require an ongoing contract for the purchase and repair of Flygt brand pumps for special pumping applications at various facilities. These are submersible type pumps and are used in extreme conditions in wastewater lift station and water and wastewater treatment plant applications. The Flygt pumps are used extensively throughout City facilities due to their durable design and longevity of operation.

8. EVALUATION: In February 2015, staff issued a request for proposal for water and wastewater equipment repair and maintenance. The solicitation included Flygt pumps, replacement parts, and service. The City received no offers from the authorized Flygt distributor.

Following the solicitation process, staff confirmed that James, Cooke & Hobson Inc., is the sole authorized distributor for Flygt pumps, replacement parts, and pump service for industrial and municipal markets in Arizona. They also have provided excellent customer service to the City. The requested amount is the estimated annual requirements for the cost centers listed.
