TO: MAYOR & COUNCIL

3. Date Prepared: August 7, 2015

THROUGH: CITY MANAGER

4. Requesting Department: Fire, Health & Medical

5. **SUBJECT:** Purchase of cardiac monitor refurbishment services

6. **RECOMMENDATION:** Staff recommends City Council approve the sole source purchase of cardiac monitor refurbishment services, with Philips Healthcare, in the amount of \$67,650.

7. **HISTORICAL BACKGROUND/DISCUSSION:** The Department utilizes advanced cardiac monitor/defibrillators for cardiac monitoring, 12-lead ECG acquisition and transmittal, electrical therapy, oxygen saturation measuring, capnography measuring, blood pressure assessment, and CPR quality feedback. All Chandler Fire, Health & Medical Department (CFHMD) front line response units maintain this advanced cardiac life support capability.

In FY 12/13, the department entered into a five-year service agreement to extend the anticipated life cycle of the monitors to ten years. With seven years of use, these monitors are showing excessive wear. While functionality is maintained under the service agreement, the unprofessional appearance of the monitors, along with wearing of identifiers from buttons, are becoming concerns to the providers. This will provide for complete refurbishment of 15 CFHMD advanced cardiac monitor/defibrillators to extend their life cycle to the end of the existing service agreement.

8. **EVALUATION PROCESS:** The monitors are proprietary to Philips Healthcare, there are no other sources to provide the cardiac monitor services needed.

9. **FINANCIAL IMPLICATIONS:** The full purchase amount of \$67,650 is available in budget line 101-2220-6320 in the current FY15/16 budget.

10. **PROPOSED MOTION:** Move City Council approve the sole source purchase of cardiac monitor refurbishment services, with Philips Healthcare, in the amount of \$67,650.
