EASEMENT FOR VEHICULAR INGRESS AND EGRESS

FOR AND IN CONSIDERATION of the sum of Ten and No/100 Dollars (\$10.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, the CITY OF CHANDLER, an Arizona municipal corporation ("Grantor"), being the owner of that certain real property situated in Maricopa County, Arizona, and more particularly described in Exhibit A, attached hereto and incorporated herein by this reference (the "Grantor's Property"), does hereby grant and convey to the INTEL CORPORATION, a Delaware corporation ("Grantee"), a non-exclusive, permanent easement over, along and upon that certain portion of the Grantor's Property described in Exhibit B, attached hereto and incorporated herein by this reference (the "Easement Property"), for the purpose of providing ingress and egress to and from Queen Creek Road, a public roadway abutting the Grantor's Property on the north, to and from that certain real property owned by Grantee, which is located some distance south of Grantor's Property and more particularly described in Exhibit C, attached hereto and incorporated herein by this reference (the "Intel Property").

The easement granted herein is intended to compliment (a) that easement for vehicular ingress and egress granted to Grantee by Bryant Stooks, a married man, as his sole and separate property ("Stooks"), who is the prior owner of the Grantor's Property, which easement was recorded with the Maricopa County Recorder as Instrument No. 1997-0230551, on April 9, 1997; (b) that easement for vehicular ingress and egress granted to Grantee by Grantor over, along and upon certain real property separately owned and acquired by Grantor, which abuts the south line of Grantor's Property, which easement was recorded with the Maricopa County Recorder as Instrument No. 1997-0230553, on April 9, 1997, and re-recorded as Instrument No. 2000-0387652, on May 22, 2000; and (c) that certain Access Drive Construction and Maintenance Agreement entered into between and among Grantor, Grantee and Stooks on or about March 3, 1997, and recorded with the Maricopa County Recorder as Instrument No. 1997-0230554, on April 9, 1997, together with a First Amendment to Access Drive Construction and Maintenance Agreement, dated January 3, 2016, entered into by and between the three parties, modifying the Agreement, and which has not been recorded, but which is on file in the office of the Chandler City Clerk (the "Access Drive Agreement").

The easement granted herein is subject to the following covenants, restrictions and conditions:

1. The easement is granted solely for the use of persons authorized to be upon the Intel Property, and in no event shall the easement be construed as one for general public right-of-way purposes.

2. The easement is subject to all existing easements and encumbrances of record not otherwise extinguished or released and is non-exclusive, provided that later granted easements shall be subject to Grantee's rights and uses provided for herein.

3. Grantee is not precluded from cutting back and trimming such portions of the branches and tops of trees and other vegetation as may extend over the Easement Property from any abutting land, including land owned by Grantor, so as to prevent the same from interfering with the right of ingress and egress granted by this easement.

4. The easement granted herein runs with the land, and the easement and all covenants, restrictions and conditions hereof shall be binding upon Grantor, its successors and assigns, and shall inure to the benefit of Grantee, its successors and assigns.

5. In the event the easement granted herein shall be abandoned and permanently cease to be used for the purposes stated herein, then all rights granted by this easement shall cease and revert to Grantor, its successors and assigns.

6. Grantor shall warrant and defend the rights, easements and privileges herein granted and the priority of this easement against all persons whomsoever, subject only to the matters set forth herein and in Exhibit D, attached hereto and incorporated herein by this reference.

7. Grantor hereby reserves the right to use the Easement Property in any manner that will not prevent or interfere with the exercise by Grantee of the rights granted herein, including the right to use the Easement Property for access by Grantor, its agents, employees and contractors, to public facilities operated by Grantor on the Grantor's Property. Grantor shall have the right to grant other non-exclusive easements over, along or upon the Easement Property; provided, however, that any such easement shall be subject to the easement granted herein.

8. The purpose of this easement is in part to allow for modification and realignment of the Access Drive as described in the Access Drive Agreement. Accordingly, Grantor, in accordance with the City of Chandler's obligations under the Access Drive Agreement, shall continue to maintain in good order, condition and repair the improvements that compose the Access Drive, as modified and realigned; however, Grantor shall not be responsible for any maintenance or repair of the Access Drive improvements resulting from damage caused by misuse of the Access Drive improvements by Grantee, its agents, employees, or contractors, or any licensee, tenant, invitee, or party otherwise in possession and use of Intel's Property.
