COUNCIL AGENDA**

1. Agenda Item Number:

21

2. Council Meeting Date:

May 12, 2016

TO: MAYOR AND COUNCIL

3. Date Prepared: March 17, 2016

THROUGH: CITY MANAGER

4. Requesting Department: Community and
Neighborhood Services

5. SUBJECT: Agreement for Fertilizer, Herbicides and Pesticides

6. **RECOMMENDATION:** Staff recommends City Council approve Agreement No. PM6-967-3647, with Crop Production Services, Inc., SiteOne Landscape Supply, Inc., and Rentokil North America, Inc., dba Target Specialty Products, for fertilizer, herbicides and pesticides, in a total combined amount not to exceed \$310,000, including all companion agreements, for one year, May 1, 2016, through April 30, 2017, with options to renew for up to four additional one-year periods.

7. **BACKGROUND/DISCUSSION:** The Park Development and Operations Division purchases fertilizer, herbicides and pesticides material for use in the City's parks. The park system currently has 1,242 acres of developed parkland. Park groundskeepers, certified in herbicide application, apply these chemicals.

In an effort to promote healthier grass in City parks, City Council provided additional funding in FY 14/15 in order for the Parks Division to fertilize park turf areas three times per year during the active growing period (April-Oct) and apply pre-emergent for weed control twice a year. Prior to that, fertilization only occurred one time per year and no pre-emergent was applied. Since that time, there has been a noticeable difference in both the appearance and health of the grass in our parks.

The herbicides are used in the control of weed germination and establishment within the landscape areas. Pre-emergent herbicides are applied twice per year with post-emergent spot spraying applied twice a month. The pesticides being purchased are used in the control of mosquitoes and ants within the parks. The amount being purchased will provide control for one (1) year. In addition to Parks, the Streets Division anticipates requiring \$50,000 for applying chemicals to the right-of-way areas.

8. **EVALUATION:** On February 3, 2016, City staff issued an Invitation for Bid (IFB) for fertilizer, herbicides and pesticides. Notification was sent to all registered vendors. Five responses were received as listed below.

SiteOne :	\$ 228,911.70	Target Specialty Products:	\$ 320,068.67
Crop Production:	\$ 205,280.42	Clarke:	\$ 7,027.70
Adapco:	\$ 4,213.80		

Not all vendors provided a bid on each item. Crop Production Services, Inc., SiteOne Landscape Supply, Inc., and Rentokil North America, Inc., dba Target Specialty Products, provided pricing for the most items listed at the lowest price. Staff recommends award to Crop Production Services, Inc., SiteOne Landscape Supply, Inc., and Rentokil North America, Inc., dba Target Specialty Products, the three lowest, responsive, responsible bidders.

CONTRACTOR warrants that any retroactive date under the transportation policy shall precede the effective date of this Contract; and that either continuous coverage will be maintained or an extended discovery period will be exercised for a period of two (2) years beginning at the time work under this Contract is completed.

3. Additional Policy Provisions Required.

A. *Self-Insured Retentions Or Deductibles.* Any self-insured retentions and deductibles must be declared and approved by the City. B. *City as Additional Insured.* The policies are to contain, or be endorsed to contain, the following provisions:

1. The Commercial General Liability and Automobile Liability policies are to contain, or be endorsed to contain, the following provisions: The City, its officers, officials, agents, and employees are additional insureds with respect to liability arising out of activities performed by, or on behalf of, the Contractor including the City's general supervision of the Contractor; Products and Completed operations of the Contractor; and automobiles owned, leased, hired, or borrowed by the Contractor.

The Contractor must submit a Certificate of Insurance evidencing Commercial General Liability insurance during this 3 year period containing all the Agreement insurance requirements, including naming the City of Chandler, its agents, representatives, officers, directors, officials and employees as Additional Insured as required.
 9. If a Certificate of Insurance is submitted as verification of coverage, the City will reasonably rely upon the Certificate of Insurance as evidence of coverage but this acceptance and reliance will not waive or alter in any way the insurance requirements or obligations of this Agreement. If any of the required policies expire during the life of this Agreement, the Contractor must forward renewal or replacement Certificates to the City within 10 days after the renewal date containing all the necessary insurance provisions.
 10. By signing this Agreement, the Contractor certifies it is fully aware of Insurance Requirements contained in the Agreement and assures the City of Chandler that it is able to produce the Insurance coverage required.
