Section 38-501. Any such interests were disclosed in Contractor's proposal to the City.
- 13.2. **Kickback Termination.** City may cancel any agreement, without penalty or obligation, if any person significantly involved in initiating, negotiating, securing, drafting or creating the Agreement on behalf of the City is, at any time while the Agreement or any extension of the Agreement is in effect, an employee of any other party to the Agreement in any capacity or a Contractor to any other party to the Agreement with respect to the subject matter of the Agreement. The cancellation shall be effective when written notice from City is received by all other parties, unless the notice specifies a later time (A.R.S. §38-511).
- 13.3. **No Conflict:** Contractor stipulates that its officers and employees do not now have a conflict of interest and it further agrees for itself, its officers and its employees that it will not contract for or accept employment for the performance of any work or services with any individual business, corporation or government unit that would create a conflict of interest in the performance of its obligations pursuant to this project.
