4. Requesting Department:
Fire, Health & Medical

5. SUBJECT: Amendment No. 5 to Agreement No. FD3-340-3133 for Fire Protective Clothing and Uniforms

6. RECOMMENDATION: Staff recommends City Council approve Amendment No. 5 to Agreement No. FD3-340-3133 with Municipal Emergency Services, Inc. (MES) for fire protective clothing and uniforms, increasing the annual spending limit amount by \$466,300, for a revised not to exceed amount of \$821,300, for the term ending September 14, 2016.

7. BACKGROUND/DISCUSSION: The Chandler Fire, Health & Medical Department (CFHMD) contracts with a vendor to provide Department approved uniforms and protective clothing to the members of the Department. The members use an annual uniform allowance to purchase their individual uniforms. The Department provides firefighters with protective equipment (PPE) that includes turnout coats, turnout pants, firefighting boots, and a firefighting helmet. The Department has an inspection program which ensures firefighting protective clothing is safe and is in compliance with the National Fire Protection Associations (NFPA) guidelines. The Department requested and was granted Capital Improvement Program (CIP) funding in FY16/17 in the amount of \$466,300 to purchase additional PPE. This purchase represents phase one in a two phase plan to ensure all CFHM personnel have two sets of PPE. The unit pricing and conditions with MES improved as the vendor agreed to a reduced one-time purchase price for the turnout coat and pant items. New item prices are reflected in Amendment No. 5 to Agreement No. FD3-340-3133 Exhibit B.

8. EVALUATION PROCESS: In September 2012, City Council awarded Agreement No. FD3-340-3133 for the purchase of fire protective clothing and uniforms to MES. The agreement allowed for up to four one-year extensions. On September 24, 2015, City Council approved the third one-year extension, for the period of September 15, 2015, through September 14, 2016. On March 31, 2016, City Council approved Amendment No. 4 increasing the annual spending limit by \$55,000 for the current term to allow staff to purchase fire protective clothing and uniforms for 9 newly hired firefighters.

Staff is now requesting approval of Amendment No. 5 increasing the current annual spending limit for the current term to allow staff to purchase additional protective equipment. Reduced pricing of two items and the increase of the annual spending limit, represent the only changes to the current agreement.
