**5. SUBJECT:** Amendment No. 3 to Agreement No. TD4-968-3404 for Streetlight Pole Replacement

**6. RECOMMENDATION:** Staff recommends City Council approve Amendment No. 3 to Agreement No. TD4-968-3404, with Utility Construction Company, Inc., for streetlight pole replacement, in an amount not to exceed \$225,000, for one year.

**7. BACKGROUND/DISCUSSION:** The City has an existing contract with Utility Construction Company, Inc., for the replacement of damaged streetlights as a result of traffic accidents or rust, and new miscellaneous streetlight installations to increase lighting levels in older developed areas. This agreement is used on an as-needed basis, and quantities are estimated based on past history.

Staff is requesting that this contract be extended for a one year term of October 1, 2016, through September 30, 2017, in the amount of \$225,000. The City has received very good service from Utility Construction Company, Inc., to date.

**8. EVALUATION PROCESS:** On September 11, 2014, City Council approved an agreement with Utility Construction Company, Inc., for streetlight pole replacement for a one-year period, with the option of up to four one-year extensions. On July 9, 2015, City Council approved Amendment No. 1, authorizing an annual spending limit increase to complete the initial term. On September 24, 2015, City Council approved Amendment No. 2 with Utility Construction Company, Inc., approving the first one-year extension.

Utility Construction Company, Inc., has agreed to extend for one additional year at the same terms, conditions, and pricing. Staff recommends City Council approve the second one-year extension of this agreement for the term of October 1, 2016, through September 30, 2017.
