This action will save on the cost of the selection process and time to bring individual projects forward.

On June 24, 2014, staff received Statements of Qualifications from twenty-one (21) firms for Engineering/Consultant Services for Water/Wastewater Services. Staff recommends a contract extension to Wilson Engineers, LLC. The term of this extension is September 17, 2016, through September 16, 2018. Work pursuant to this contract will be issued by individual project agreements. Project agreements exceeding \$30,000 will require City Council approval.

9. FINANCIAL IMPLICATIONS: Staff anticipates up to \$1,500,000 per year, for two (2) years, will be spent on Water/Wastewater Services. The owner/user department shall provide funding for each individual project requiring Water/Wastewater Services.
