**4. Requesting Department:** Transportation & Development

**5. SUBJECT:** Purchase of a Regenerative Air Street Sweeper

**6. RECOMMENDATION:** Staff recommends City Council approve the utilization of the Houston-Galveston Area Council of Governments (HGAC) contract with TYMCO, Inc., for purchase of a regenerative air street sweeper, in the amount of \$229,723.47.

**7. BACKGROUND/DISCUSSION:** On March 23, 2016, Maricopa Association of Governments (MAG) Regional Council approved the prioritized list of proposed PM-10 certified street sweeper purchases for fiscal year 2016/2017. The City of Chandler was informed that one sweeper was authorized for grant funding. The TYMCO sweeper meets all current MAG environmental PM-10 requirements. The MAG grant amount is \$216,629.23, plus a City 5.7% match of \$13,094.24.

The sweeper will replace our older PM-10 compliant sweeper used for the arterial road sweeping in Chandler.

**8. EVALUATION:** HGAC competitively solicited and awarded a contract for street sweepers to TYMCO, Inc. The City has a current Intergovernmental Agreement with HGAC allowing for the cooperative use of HGAC's contracts.

Staff recommends cooperative use of this contract because the price is competitive compared to other contracts, the requested product has performed well, Fleet Services staff is trained on repair, and the sweeper operators are familiar with the operation. The term of the HGAC contract is April 1, 2016, through March 31, 2018.
