DATE: SEPTEMBER 15, 2016

TO: MAYOR AND COUNCIL

THRU: MARSHA REED, CITY MANAGER *MR*
JEFF KURTZ, PLANNING ADMINISTRATOR *JK*
KEVIN MAYO, PLANNING MANAGER *JF*

FROM: SUSAN FIALA, AICP, CITY PLANNER

SUBJECT: LUP16-0014 VB LOUNGE

Request: Liquor Use Permit approval to sell and serve all types of spirituous liquor for on-premise consumption indoors along with an extension of premises within a new outdoor patio as permitted under a Series 12 Restaurant License. The request includes live entertainment indoors.

Location: 81 W. Boston Street, the southwest corner of Arizona Avenue and Boston Street

Applicant: Dragana Cosic, SCDC LLC

Zoning: City Center District (CCD)

RECOMMENDATION

Upon finding the request to be consistent with the General Plan, Planning Commission and Planning Staff recommend City Council approve the Liquor Use Permit subject to conditions.

BACKGROUND

The property is located at 81 W. Boston Street, at the southwest corner of Arizona Avenue and Boston Street. The building was the former diSciacca Glass gallery and prior was the Rowena Theater. Concurrent with this request, permits are in review for tenant improvements and forthcoming review by the Architectural Review Committee for exterior modifications.

The request is for Liquor Use Permit approval to sell and serve all types of spirituous liquor for on-premise consumption indoors along with an extension of premises within a new outdoor patio

as permitted under a Series 12 Restaurant License. The request includes live entertainment indoors.

The new restaurant is approximately 5,334 square feet. A new outdoor patio, approximately 245 square feet, is designed to meet the CCD zoning standards including location, distance from public infrastructure, pedestrian passing space, and fence height. Hours of operation are from 11 a.m. to 11 p.m., seven days a week. Staffing includes approximately 20 total full time and part time employees. Indoor live entertainment may occur on Friday and Saturday nights until midnight. Live music may include acoustical three-person bands playing cover songs in the genres of jazz, light or classic hits. Planning Staff is including conditions to address any potential noise from the live entertainment indoors.

A Series 12 Restaurant License allows the on-site sale of beer, wine, and spirits for on-site consumption. Under a Series 12 license, the establishment must derive at least forty (40) percent of its gross revenue from the sale of food and non-alcoholic beverages. A menu is attached.

PUBLIC / NEIGHBORHOOD NOTIFICATION

- This request was noticed in accordance with the requirements of the Chandler Zoning Code.
- A neighborhood meeting was held on July 26, 2016. No one other than the applicant attended.
- As of the writing of this memo, Planning Staff is not aware of any opposition to the request.

PATIO & RAILING

PROJECT OVERVIEW

City of Chandler,

Liquor Use Permit: LUP 16-0014

VB Lounge & Restaurant will be located at 81 West Boston St. in downtown Chandler. The property is the former diSciacca Glass gallery. Peter & Sigrid Sciacca will have an active part in this new restaurant.

"VB" is an abbreviation taken after our Va Bene Italian Restaurant in Ahwatukee. We have 20 years history operating restaurants here and in Europe.

We are requesting a liquor use permit for a series #12 restaurant liquor license. We are going to have a full service restaurant and bar. We will have 10 craft beers on tap, 5 or more bottle or can choices, over 50 bottles of wines, and a craft cocktail list for mixed drinks and martinis. We will have a staff of about 20.

The 5334 sq. ft. building will be an upscale, semi-sophisticated yet affordable dining choice. We will offer some our popular Italian menu items from Va Bene as well as add some new modern, contemporary continental cuisine items. From our famous eggplant parmesan, to baked salmon, to some hand tossed salads, VB Lounge will not have a walk-in freezer or cooler; instead we will focus on fresh, sautéed dishes.

We have approximately 30 seats at the bar, 68 in the dining area, and 16 outside on sidewalk patio. The fencing will be horizontal, simple, and modern compared to other downtown fencing patios. We plan on being open every day from 11am to 11pm. We will have 6 TV's over our bar area and live entertainment indoors only on Friday and Saturday nights. We may stay open until midnight on live entertainment nights. There will be no entertainment outside, but we will keep the current speaker to play soft background music for our front patio patrons in accordance with any ordinances. Our dining seating has many sofa type seats and club chairs instead of bench seating. This will create a more cozy, modern feel.
