5. SUBJECT: Amendment No. 2 to Agreement No. ST5-745-3434 with M.R. Tanner Development & Construction, Inc., for Asphalt Patch, Maintenance and Repair

6. RECOMMENDATION: Staff recommends City Council approve Amendment No. 2 to Agreement No. ST5-745-3434 with MR Tanner Development & Construction, Inc., for asphalt patch, maintenance and repair, in an amount not to exceed \$100,000 for one year, December 1, 2016, through November 30, 2017.

7. BACKGROUND/DISCUSSION: This asphalt patch, maintenance and repair agreement is used as-needed for the repair of arterials, collectors, and local streets. The current volume or scope of work of asphalt patchwork repairs to be completed by the Streets Division exceeds the capacity of existing crews. This agreement will be used to complete the overflow of asphalt paving work. This agreement has also been used to apply an asphalt cap on older arterial streets that need maintenance and for larger patch repairs on an as-needed basis.

8. EVALUATION PROCESS: On October 23, 2014, City Council approved an agreement for asphalt patchwork, maintenance and repair with MR Tanner Development & Construction, Inc., with options to extend for up to four (4) additional one-year periods. The vendor has agreed to extend for one (1) additional year at the same terms, conditions, and pricing.

Staff recommends extending the agreement for the new term of December 1, 2016, through November 30, 2017. This is the second extension of the agreement.
