A Message from Mayor Jay Tibshraeny

As we leave the winter behind, now is the perfect time to “spring” into a new wellness plan. Warmer temperatures afford the perfect opportunity to utilize the many recreational amenities and programs we offer here in Chandler. And this year, fitness pros across the country are saying the new trend will be...old school. Good old-fashioned body-weight training. You know, the stuff you learned way back in gym class.

That means you can take full advantage of all the City has to offer in terms of gyms, trails, sport courts, golf courses and recreation centers. This issue of Break Time is a great guide to set you on the path to better health! Within these pages are literally hundreds of activities for people of all ages. Take a few minutes to explore all we have to offer and start making your plans today.

We are also organizing another wellness fair to help you coordinate your efforts toward a healthier body and mind. My 3rd annual “Health Connect” expo will take place on Saturday, April 18, from 9 a.m. to noon, at the Tumbleweed Recreation Center, located at Tumbleweed Park (the southwest corner of McQueen and Germann roads). This year, we are making it a true multigenerational event with speakers, vendors and activities geared to people of all ages.

The free, family oriented health and fitness expo is co-sponsored by Dignity Health (Chandler Regional Medical Center).

For more health tips, visit www.chandleraz.gov/connect; or follow me on Twitter @jaytibshraeny. Spring is in the air Chandler, let’s get healthy!

Sincerely,

Jay Tibshraeny
Mayor

Cancellations of Classes/Programs and Refunds

- City Initiated
The City reserves the right to cancel any program due to insufficient enrollment. Early registration is encouraged to help prevent course cancellation due to an apparent lack of interest. If a class or program is cancelled, you will be notified and offered an alternative choice, if available. If no alternative is available, a full refund or credit will be issued within 30 days. The City also reserves the right to cancel, postpone, combine classes, change rooms, or change instructors, as needed.

Less than 48 hours notice results in a 50 percent refund. Refunds are not available after 50 percent of the course/class session is complete. Supply fee refunds will be pro-rated based on attendance, unless otherwise stated on the registration receipt.

Aquatics: If you wish to cancel your Aquatics program enrollment, you must notify the Aquatics office at 480-782-2756 or 480-782-2753 at least three days PRIOR to the program/session start date for a full refund. Mail-In & Drop-Off Registration

Completing the Registration Form

- Please submit a separate registration form for recreation classes and aquatics classes. Processing can be delayed if the same form is used for recreation and aquatics registration.
- List a 1st, 2nd and 3rd class choice. If only one choice is listed and that class is full, the participant is placed on a waiting list.
- The registration form is an application. It does not ensure placement in a class. You will receive a confirmation receipt to verify enrollment in a class. If your class choices are full, the participant will be placed on a waiting list.
- If you are placed on a waiting list, you will be notified if an opening becomes available. Notification may come as late as the start day of a class.
- Fees must be paid at the time of registration. If paying by check, write a separate check for each class. If only one check is submitted and only a portion of payment is used on the customer's account, the remaining balance will be issued as a credit.
- Fill out the registration form completely. Enter the full name of participant, address, home and emergency phone numbers and age. Sign the form. If possible, submit only one registration form per family.

Please Note: Our new registration system verifies residency by a flat file associated with a GIS system. Check your residency status by visiting www.chandleraz.gov/informap. Unfortunately, customers living in County Islands are no longer eligible to receive resident registration privileges or rates. If you are charged a non-resident fee while completing your registration, we will be happy to re-verify your address. However, if we are unable to verify through our resources you will be asked to provide one or more of the following documents to verify residency: picture ID with local address, current (within last month) water or utility bill, property tax bill or business license.
What is an online registration and reservation system? Our online registration and reservation system allows customers to register via the Internet for most of our classes and programs and now allows customers to make ball field and pavilion rentals! The system is available to residents 24-hours a day, seven days a week, except during times the system will be taken down for maintenance. The exception is online ball field reservations, which will be accepted from 8 a.m.-11:59 p.m.

Why did Chandler’s Community and Neighborhood Services Department switch to a new registration and reservation system? The old system had reached its end of life and was no longer being supported. This new system provides new technology and benefits including:

- The ability to make reservations for pavilions and ball fields on-line.
- Multiple ways to search for programs and activities.
- Allows customers to create “Wish Lists” which will help streamline your registration process.
- Sign-up for text message or email notifications for timely activity-related messages and information.
- The ability for customers to manage their account with access to schedules, payment/transaction history, recover password electronically, etc.

Why do I need to set up a new account? We have implemented a new hosted software program called ACTIVE Net®, which requires all customers to create a new account in order to use the system. Our old software program will no longer be available and all history associated with the program will no longer be available.

How do I create a new account and add a child or other family members to my account? Go to www.chandleraz.gov/registration and click on “Create Account” tab and complete the “application” with head of household and all family members to my account? To obtain your password you will need to either call or come into one of our recreation centers to speak with a staff person or recover your password electronically. See details above.

What if I already have a City of Chandler ACTIVE Net® account? You already have an account, your login will be the email account you used to purchase a membership or punch pass from the Tumbleweed Recreation Center, Chandler Aquatics and/or purchase a permit (ball field, beer, etc.) from Chandler Parks, Recreation and Aquatics. If you already have an account, your login will be the email address you registered with. It will always be the email you registered with.

What if I forgot my login name? ACTIVE Net® uses your email address as your login name. It will always be the email you registered with.

What if I forgot my password? You may now recover your password electronically. From the homepage click on “My Account”. Under “Already have an Account” search for “Password” and click “Forgotten”. You will receive an email message and directions on how to set-up a new password.

Why do I need a credit or debit card to use online registration/reservation? Yes. In order to complete your online transaction(s) and confirm your enrollment, you must pay by credit card or debit card. The City of Chandler currently accepts Visa, Master Card and American Express.

Why doesn’t my registration work online? There could be a number of reasons:

- The class is not open for registration at the time you are trying to register.
- Some classes require special registration data and, therefore, are not available for online registration. Classes that are not available for online registration will have a symbol of a crossed-out computer by the class description.
- You have not properly logged into your account.
- The system is temporarily unavailable due to a large number of users at the same time or system maintenance.

How do I enter “Date of Birth”? For adults you may either enter your birthdate or select “Age Category”. For all customers under the age of 18 a birthdate MUST be entered.

Some customers may already have an account with ACTIVE Net® due to Membership and Permit transfers. Should you already have an account, your login will be the email account you used to purchase a membership or punch pass from the Tumbleweed Recreation Center, Chandler Aquatics and/or purchase a permit (ball field, beer, etc.) from Chandler Parks, Recreation and Aquatics. To obtain your password you will need to either call or come into one of our recreation centers to speak with a staff person or recover your password electronically. See details above.

Thank you for making Chandler a safe place to play!

Do you need to know what level to register for next?

1. Your child’s current instructor can provide detailed information and place your child by skills and abilities.
2. Our online listing can assist you. The descriptions on the class list are available with educating our customers on the variety of classes the Aquatic Program has the capability of offering.
3. Free Swim Skills Testing. We provide free skills assessment evaluation if you don’t know what class to register your child in. Stop by Mesquite Groves or Hamilton Aquatic Centers and we will be happy to test your child and make a recommendation.

**Community Resources and Diversity**

**For Our City, Let’s Pull Together Initiative for the Month of April**
The early spring rainfalls promise a great display of wild flowers and spring blooms in Chandler and the surrounding desert. Unfortunately, they will also produce crops of weeds throughout the City. Let’s Pull Together is a For Our City Chandler initiative aimed at making a difference by beautifying the community during the heavy weed season. This year, Let’s Pull Together will take place in the month of April. You can get involved by letting us know:

1. If you are an individual needing assistance with your yard or if you know a senior and/or disabled individual who is in need of assistance with their yard.
2. If you are interested in organizing a weed-pulling project with your neighbors, church groups, businesses, school clubs, Boy Scouts or any other affiliation.

Working together to make the community beautiful and helping someone in need can be rewarding. If you need assistance, know someone who needs assistance or would like to volunteer, please call 480-782-4354.

Please join the Let’s Pull Together initiative and help make Chandler a weed free City.
