**A Message from Mayor Jay Tibshraeny**

A few weeks ago I was meeting with a large group of people from the local business community discussing a number of issues. The meeting took place just about a week after that epic storm in early September where parts of Chandler received nearly six inches of rain. One of the people in the room commented that she had gone to Hamilton pool the day after the storm hit and found the pool clean and the water crystal clear. Her comments got a round of applause from the room.

That story speaks volumes to quality of staff we have at the City of Chandler – and specifically those who see that the services we deliver through our recreation programs are of the very highest level. And, we have made some significant changes in the structure of some of our City’s departments, recently combining the areas of parks and recreation with neighborhoods to form the Community and Neighborhood Services Department. By uniting these divisions, we are placing an even greater emphasis on the areas you care the most about.

So I wanted to use this forum in this winter edition of Break Time to thank all of the hard working employees who are so committed to making Chandler’s neighborhoods, parks, facilities and programs the best in the Valley.

You don’t have to look any further than here in the pages of Break Time to understand the vast array of classes, activities, events and other amenities we are so fortunate to offer you, the residents of Chandler. Please take full advantage of all there is to do. And since we are heading into a new year, why not make a resolution to a new wellness program that includes a healthy dose of Chandler recreational offerings.

Stay healthy Chandler!

Sincerely,

Jay Tibshraeny  
Mayor

## ▼ NEW ONLINE REGISTRATION/RESERVATION SOFTWARE FAQs ▼

### What is an online registration and reservation system?

Our online registration and reservation system allows customers to register via the Internet for most of our classes and programs and now allows customers to make ball field and pavilion rentals! The system is available to residents 24-hours a day, seven days a week, except during times the system will be taken down for maintenance. The exception is online ball field reservations, which will be accepted from 8 a.m.-11:59 p.m.

### Why did Chandler's Community and Neighborhood Services Department switch to a new registration and reservation system?

The old system had reached its end of life and was no longer being supported. This new system will provide new technology and benefits including:

- The ability to make reservations for pavilions and ball fields on-line.
- Multiple ways to search for programs and activities.
- Allow customers to create "Wish Lists" which will help streamline your registration process.
- Sign-up for text message or email notifications for timely activity-related messages and information.
- The ability for customers to manage their account with access to schedules, payment/transaction history, recover password electronically, etc.

### Why do I need to set up a new account?

We have implemented a new hosted software program called ActiveNet, which requires all customers to create a new account in order to use the system. Our old software program will no longer be available and all history associated with the program will no longer be available.

### How do I create a new account and add a child or other family members to my account?

Go to [www.chandleraz.gov/registration](http://www.chandleraz.gov/registration) and click on "Create Account" tab and complete the "application" with head of household or adult information. Complete all fields with an asterisk (\*) which are required fields. Once the required information is complete click "submit". If you need to add additional family members, click "Submit and add Family Members".

### What if I already have an ActiveNet account?

Go to [www.chandleraz.gov/registration](http://www.chandleraz.gov/registration) and click on "My Account". Enter your Login Name (your email) and enter your password. Click "Sign-in". You are now ready to register for an activity, reserve a pavilion or ball field, or change/search or account information.

### What if I forgot my login name?

ActiveNet uses your email address as your login name. It will always be the email you registered with.

### What if I forgot my password?

You may now recover your password electronically. From the home page click on "My Account". Under "Already have an Account" search for "Password" and click "Forgotten". You will receive an email message and directions on how to set-up a new password.

### What if I do not have an email address or home computer?

You may visit any of the four Chandler Public Libraries to set up your free personal email account. A reference librarian can assist you. We also have scheduled our registration to start at 10 a.m., which allows individuals without computers to go to a public library or other agency and use their computers. For more information on how to establish a free email address, call 480-782-2803.

### Do I need a credit or debt card to use online registration/reservation?

Yes. In order to complete your online transaction(s) and confirm your enrollment, you must pay by credit card or debit card. The City of Chandler currently accepts Visa, Master Card and American Express.

### Why doesn't my registration work online?

There could be a number of reasons:

- The class is not open for registration at the time you are trying to register.
- Some classes require special registration data and, therefore, are not available for online registration. Classes that are not available for online registration will have a symbol of a crossed-out computer by the class description.
- You have not properly logged into your account.
- The system is temporarily unavailable due to a large number of users at the same time or system maintenance.

### How do I enter "Date of Birth"?

For adults you may either enter your birthdate or select "Age Category". For all customers under the age of 18 a birthdate MUST be entered.

### Some customers may already have an account with

**ActiveNet** due to Membership and Permit transfers. Should you already have an account, your login will be the email account you used to purchase a membership or punch pass from the Tumbleweed Recreation Center, Chandler Aquatics and/or purchase a permit (ball field, beer, etc.) from Chandler Parks, Recreation and Aquatics.

To obtain your password you will need to either call or come into one of our recreation centers to speak with a staff person or recover your password electronically. See details above.

### Having a problem with our new registration/reservation system?

## Chandler Pool Rules & Regulations

- Pool Manager and lifeguards have complete authority in the pool. Please remember, lifeguards are on duty to provide a safe environment and respond and assist with aquatic emergencies. It is the parent or guardian's responsibility to watch their child at all times.
- No cash refunds. Please understand we may not always be able to communicate at the admission window situations that are occurring in the pool (i.e., fecal incident, emergency situation) prior to you entering the facility. If you request a refund, a Free Pass will be issued in lieu of cash refund and can only be issued by the Pool Manager on duty. This may require a long wait while the Pool Manager resolves the more critical issue that increases water-related illnesses or public safety.
- Children 7 and under must be accompanied by a responsible teenager, 13 years or older, or adult.
- Children who are not potty-trained must wear swim diapers at all times at all Chandler aquatic facilities. Please change diapers frequently in the bathroom facility.
- Flotation devices and water wings are prohibited unless U.S. Coast Guard approved.
- Feet first entries only in water less than five feet. Diving head first into water less than five feet may cause severe spinal cord injuries.
- For the protection of all our guests, the use of cameras, cell phone cameras, video recording devices and equipment with digital photography capability is prohibited in our bathroom/locker room area. Video recording and photography of any kind within the pool area must be approved by the Pool Manager.
- Parties of any type are prohibited during public (recreational) swim hours unless booked and paid for through the City's contract concessionaire.
- All aquatic facilities are smoke-free (smoking is strictly prohibited in aquatic facilities located on school sites, even outside the aquatic center and parking lots).
- We ask all guests to shower and use the bathroom before entering and enjoying the pool.
- Guests who are sick or ill (diarrhea, incontinent, vomiting) are asked to visit after they have recovered at least two weeks from their illness.
- Guests with open wounds, sores, inflamed eyes, colds, nasal or ear discharges, boils or other acute or obvious body infections, or cuts shall be excluded from entering the facility.
- There are different procedures that must be followed (according to Maricopa County Health Departments fecal incidents regulations) for solid and liquid fecal incidents. All fecal incidents require the pool to be cleared for a minimum of 30 minutes in order to remove and treat the incident appropriately. To avoid the pool being shut down for a 24-hour period, please make sure children who are not potty-trained wear swim diapers and please do not bring sick children to the pool. We want to keep all guests healthy and safe.
- Please keep gate(s) closed – do not prop open.
- Please observe all safety regulations.
- Guests are allowed to wear t-shirts to protect their skin from the Arizona sun. Please wear a clean shirt.
- Any guest entering the pool, swimming or not, is required to pay the admission fee.
- The City restricts the type of food and beverages that customers can bring into our facilities. There are also restrictions on the size of coolers that can be brought into Chandler aquatic facilities. **Please see the Outside Food and Beverage Policy on page 20 or at [www.chandleraz.gov/aquatics](http://www.chandleraz.gov/aquatics).**
- No alcohol or glass containers are allowed.
- Riders must be 42" in height to ride the main water slides. Only children under 42" are allowed to ride toddler slides. Drop slide riders must be 48" in height.
- There are additional rules and regulations posted at each aquatic center. Please review these regulations when you visit any of our fantastic facilities.

Local service and youth organizations, church and neighborhood groups can have fun while also providing a valuable community service. Groups can also win awards for their efforts. By adopting a community park, residents are making their parks more beautiful and are extending tax dollars by allowing City parks employees to spend their time on major renovation, repair and maintenance work. *For more information call 480-782-2667 or visit [www.chandleraz.gov/parks](http://www.chandleraz.gov/parks).*

## PLAYTOPIA at TUMBLEWEED PARK

**Playtopia** is a free, 2.5-acre playground and picnic section of the City's Tumbleweed Park at McQueen and Germann roads. It features several play zones with themes based on Chandler's heritage. Playtopia is an ideal place for imaginative play and it attracts families from all over town. The parking lot is located south of Germann Rd. on Hamilton Street, one-quarter-mile west of McQueen Rd. Playtopia consists of three distinctly themed components:

### Farm Land

Numerous slides, bridges and climbing features designed to incorporate the farm life theme. Almost all of the Farm Land play equipment is under the protective shade provided by a large red barn canopy.

### City Land

An urban-themed landscape with paved streets, street signs, lampposts and vehicles you would find in any big city. In addition to offering climbing, riding and sliding structures for kids, City Land streets are great for riding tricycles and small bikes.

### Critter Land

Children can hop on the back of a massive Gila Monster, walk through giant tortoise shells and get down-and-dirty digging' in the dirt to discover dinosaur bones. It's a great place for kids to explore and climb and expand their minds.

### And there's more!

Playtopia amenities include swings, benches, restrooms, barbeque grills, sand volleyball, horseshoe pits and 14 covered pavilions with picnic tables and seating that can be reserved for your family or corporate gathering.
