Nomination:

In a few words, please describe your neighborhood's participation in the 2015 GAIN event. Let us know what made your event special and why you should be nominated. Include a minimum of two photos.

Our community Neighborhood Watch (Fox Watch) did not exist in 2015. We did have a small GAIN event in one area of the community in 2014 (flyer attached). In April of 2016, after witnessing criminal activity that we had never experienced before, the community came together and formed Fox Watch with the assistance of Officer Robin Atwood, Crime Prevention Unit. And this is why we are special--because we saw a problem, reached out to the Chandler Police Department for assistance and, together, we addressed it very rapidly.

Because Fox Crossing is a large community of 751 homes, we chose to make this effort community-wide. We printed flyers (attached) and went door-to-door stressing safety and educating residents on prevention techniques and resources.

Fox Watch is divided into four quadrants with captains and/or co-captains who communicate regularly. Moving forward, we plan to incorporate Fox Watch into already established community events to "get to know your neighbors." Our next Fall Carnival/Block Watch event is scheduled for November 5th.

In summary, we have already seen the positive effects of Fox Watch in our community and we will continue with our educational efforts as well as promoting the vast resources that the City of Chandler has to offer.
