

Mayor Jay Tibshraeny's Neighborhood Excellence Awards Application

I. Nomination

In a few words, please describe your neighborhood's participation in the 2015 GAIN event. Let us know what made your event special and why you should be nominated. Include a minimum of two photos (.jpg)

This will be the tenth year that our neighborhood, Homestead Park, has participated in the GAIN event.

This community celebration has continued to grow year in and year out fostering a close knit community within our neighborhood.

The GAIN event is the most anticipated event in our community. This occasion is special because it allows for a casual and relaxed atmosphere for the community to interact with the Chandler Police Department, Fire and Rescue, and other specialty units.

The event gives residents the opportunity to forge new relationships and strengthen our partnership with each of these departments. The interaction between neighbors and the City of Chandler is especially important because a strong relationship is what makes Chandler communities safe and a great place to raise families. It is also important for children because they will hold these memories in high regard, and will hopefully continue the tradition.
