

Smart Controller Rebate Application Instructions:

1. Complete the fillable application below by typing your information into all of the required cells (Highlighted in red).
2. Please click on the signature cell and follow the steps to create an electronic signature. (If you are unable to create an electronic signature, see step 4)
3. Once the document is completely filled out, click the submit button (upper right corner). As long as the required information is complete, an email to conserve@chandleraz.gov will be generated with your application attached (the program will make you save the pdf before generating the email). In addition to the application, please attach a copy of the itemized receipt (see notes below). ***For WIFI enabled controllers, screen shots showing the controller application loaded to your phone or laptop must also be included.***
4. If you are unable to create an electronic signature, please print the typed and completed application, hand-sign it, scan and save the signed document as a pdf, and email it to conserve@chandleraz.gov along with a copy of the itemized receipt (see notes below). ***For WIFI enabled controllers, screen shots showing the controller application loaded to your phone or laptop must also be included.***

Notes:

- **Multiple rebate requests:** attach each application as a separate document. If sent in separate emails please reference other rebates being requested in the comments.
- **Itemized receipts:** list all costs being charge separately, for example: purchase price, sales tax, installation and shipping charges, discounts, etc.
- **Purchase price:** the actual, pre-tax price paid for the controller. It does not include charges for shipping, installation, taxes or any accessories unrelated to the “smart” operation of the controller.
